Nazi Leaders Widen Gap With Austria Church

Hitler Deputy Attacks Cardinal Innitzer in Speech Heard By Big Throng

VIENNA (AP)—Joseph Buerckel, Chancellor Hitler's deputy for Austria, declared before a monster Nazi mass meeting tonight that Theodor Cardinal Innitzer was attempting to make Austria choose between "Christ and Adolf Hitler."

"Hitler or Christ is not the question," he shouted through loudspeakers to a cheering crowd of 100,000.

"Hitler never took a position against Christ."

"In this state there is only one further and his name is Adolf Hitler."

Buerckel accused a part of the Catholic clergy of seeking to "instigate people against the state."

CROWD SHOUTS

Every time Cardinal Innitzer's name was mentioned the crowd shouted "Heil Hitler!" the German equivalent of "Hoo."

Buerckel advised churchmen to be Germans and "not take orders from Rome" and read letters which he said Cardinal Innitzer had written to Jews.

The speaker won enormous applause when he said, "Hitler has won the war lost by Germany," in referring to satisfaction of Nazi claims on Czechoslovakia.

Buerckel blamed as "instigators against the state" a number of "political talking clerics who have been deprived of influence through National Socialism (Nazism)."

He referred to anti-Catholic riots last week-end and said demonstrations had occurred on the streets in attempts to play religion against the state.

Some went too far, he declared, and trespassed against property. (Cardinal Innitzer's Palace was stoned).

"It is self-understood," said Buerckel, repeating a previous declaration attributed to him, "the National Socialist state condemns this and will call those responsible to account."

MURDER TRIAL OPENS MONDAY

Trial of Mrs. Vera Colebourne, charged with the murder of her husband in Oak Bay on April 1 of this year, is scheduled to open in the Assize Court here on Monday.

The court adjourned at the completion of other cases on the list today, and will remain inactive until the beginning of the week.

THE WEATHER

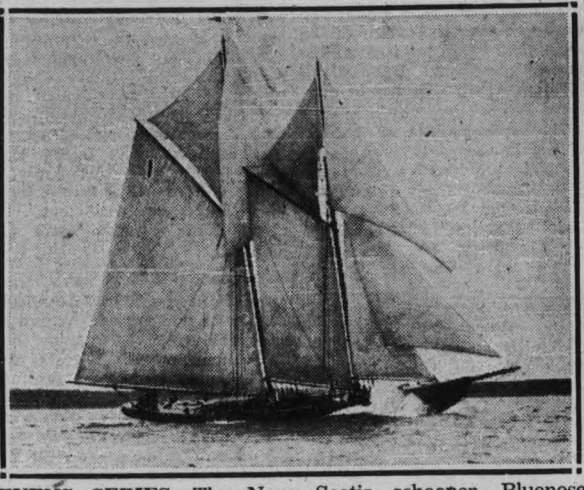

VICTORIA, 5 a.m. today—Pressure remains low over northern British Columbia, but it is rising rapidly off Vancouver Island. The weather has become cloudy and cooler and heavy rain has occurred on the coast. It has been mostly fair in the interior provinces.

Victoria—Barometer, 30.10; temperature, max. 54, min. 44; wind, 4 miles W.; precip. 45; fair.

Vancouver—Barometer, 30.06; temperature, max. 64, min. 42; wind, 4 miles E.; precip. 45; fair.

Prince Rupert—Barometer, 29.74; temperature, max. 50, min. 42; wind, 12 miles S.E.; precip. 60; raining.

San Francisco—Barometer, 30.02; temperature, max. 60, min. 58; wind, 4 miles S.; clear.

EVENS SERIES—The Nova Scotia schooner, Bluenose above, and the U.S. schooner Gertrude L. Thebaud, have at least two more races to sail as a result of the Lunenburg craft winning today. See page 16 for picture taken after the first contest last Sunday, which was won by the Thebaud.

Bluenose Wins Race

GLOUCESTER, Mass. (AP)—Bluenose, Captain Angus Walters' defender of the International Fishermen's Trophy, made it one-ail with the United States challenger, Captain Ben Pine's Gertrude L. Thebaud, by winning the second race of the current title series. Bluenose finished at 4:29.10, with the Thebaud well astern at 4:41.08.

The Canadian schooner had turned the first mark, 13 miles, at 2:08 p.m., two hours and 18 minutes after the start. The Thebaud, which had widely oversteered the mark, trailed at that point by more than a mile.

The Thebaud followed Bluenose around the first buoy at 2:20.23 p.m.

The Bluenose rounded the second buoy, at the 25-mile mark, at 2:56.08 p.m. Captain Pine put the Thebaud around the buoy at 3:09.09 p.m.

BIG STORM VISIBLE ON SUN'S SURFACE

Sunspot 100,000 Miles Long Now Visible Through Smoked Glasses

WASHINGTON—Stormy weather on earth, though it has laid waste whole areas, is as nothing compared to what is happening on the face of the sun right now. If you will take a piece of well-smoked glass, or a couple of old photo films, and look at the sun today, you will see a huge freckle near the middle of its face.

That freckle is an enormous sunspot, representing a pair of fiery tornadoes that darken a strip of solar territory 100,000 or more miles long, and 50,000 miles wide at the widest part. Into that vast cloud half a dozen earths could be dropped at once, and still leave room for them to rattle around.

The spot has been studied and photographed, since its first appearance around the edge of the rotating sun about a week ago, by Mrs. L. T. Day, astronomer at the U.S. Naval Observatory. It first showed up on her photographic plates on October 5, and is due to disappear around the opposite side of the sun about October 18 or 19. If it lasts through another rotation of the sun it should reappear about November 2.

There is some suggestion that this spot was "budding" a month ago, Mrs. Day said. There was a small spot in about the same position on the sun's face on September 16.

Sunspots are an indication of intense activity on the sun, which is often reflected here on earth by magnetic storms. These storms are unobserved by human beings, because our senses have no way of perceiving magnetic changes. But they do affect us just the same, because they seriously interrupt telegraphic and radio communication, and are frequently accompanied by flaring auroral outbursts.

There was a magnetic storm at the time the smaller spot of mid-September crossed the sun's meridian or central line. Already, the present spot has signalled its coming, with minor upsets in communications last Saturday and Sunday.

FRANCOISTS BOMB BRITISH VESSEL

Freighter Stancroft, Carrying Canadian Wheat, Hit at Barcelona

BARCELONA (AP)—The British steamship Stancroft was damaged by a bomb today when five insurgent planes raided Barcelona. No casualties on board were reported.

(The Stancroft, 1,407 tons, left Montreal for Barcelona September 21. It was understood she carried Canadian wheat.)

The raiders bombed the city from a great height. The famous statue of Columbus, with a hand pointing across the sea, escaped damage when a bomb fell six yards from its base.

Reduce Garage Service If Gas Margin Is Cut

Victoria Retailers Tell Control Board Five-cent Leeway Essential Hearing Held

Victoria motorists face a curtailment of the free service they receive from gasoline stations, if the 5c per gallon profit allowed retailers is affected by the government's plan to reduce the price of gasoline arbitrarily.

A delegation of retailers elected at a meeting last night informed Dr. W. A. Carrothers, chairman of the Coal and Petroleum Control Board, this morning that they must have a 5c profit margin on which to operate their business.

If this margin is reduced the gas stations may have to reduce staffs, possibly cut wages and curtail their services to the public, Reeve R. R. Taylor of Oak Bay, head of the group, said.

At the meeting last night a "sit-down" strike of operators by refusing to sell gasoline was suggested, but Mr. Taylor said this was not seriously considered.

"We had a very friendly meeting with Dr. Carrothers this morning, and explained to him the difficulties of our business," Mr. Taylor said.

This morning's hearings concluded the control board's interviews with the industry, and it is now ready to make a final decision as to what the gasoline price should be. Dr. Carrothers previously indicated the price will be fixed within 10 days.

It is understood the board in dealing with the price question will fix only the retail selling rate, leaving it up to the oil companies and the retailers how any cut shall be apportioned. Thus the matter of the retailers' profit will be left to the industry as a whole.

After last night's meeting the retailers sent a telegram to the Petroleum Industries of British Columbia in Vancouver, which represents the oil companies, urging their co-operation in maintaining the profit margin here.

THREE BUREAUS TO BE ALTERED

An alteration in the organization of the government's Department of Trade and Industry, which now has three bureaus, will be suggested to the Legislature this session by Hon. W. J. Asseltine, the minister.

A separate tourist bureau will be established instead of the present bureau of tourist and industrial development. Industrial work will be included with trade under an industrial and trade development bureau. The bureau of economics and statistics will be unchanged.

No immediate change in personnel is contemplated.

Wheat Conference Plan

OTTAWA (CP)—No official approach has been made to Canada by the United States in connection with the proposal of Henry Wallace, U.S. Secretary of Agriculture, for export allotments for wheat exporting countries, it was stated here today.

Officials here expressed interest in Secretary Wallace's proposal, made in Washington last night, for a conference to establish an international "ever-normal" granary to regulate production as well as exports. Abandonment of export subsidies on wheat, now used by several countries, was also proposed by Mr. Wallace.

Speed Wanted in Bren Contracts

Canadian Inquiry Commission Is Told Of British Urgings

OTTAWA (CP)—Delay on the Bren machine-gun scheme to permit tenders by firms other than the John Inglis Company of Toronto would have been fatal to the British government's interest in buying guns made in Canada, the Department of National Defence was advised February 4, 1938, according to a cable laid before Mr. Justice H. H. Davis, royal commissioner investigating the Bren machine-gun contract, today.

This message was in reply to one sent to London at the instance of the interdepartmental committee on the control of profits on armament contracts which raised the question of approaching companies other than the one which had submitted proposals.

Another message about the same time from Sir Harold Brown, director of munitions production at the British War Office said: "Must emphasize that any further delay may adversely affect the proposal. In this connection firm having done necessary technical investigations obviously has advantage."

ONE CONTRACT

In the exchange of cables at that time Sir Harold renewed a previous suggestion that a single contract be made under which Canada would deal with the firm and supply guns to the War Office on an agency basis.

In reply the defence department said that while welcoming complementary orders from the British government, it would prefer the latter deal direct with Canadian contractors. This would not tend to prejudice relationships between the two governments.

The scheme as then proposed and as it eventually materialized was that Canada should order 7,000 Bren guns from the Inglis Company and the War Office 5,000 guns. By placing the two orders for a total of 12,000 guns the cost of production per gun could be reduced.

The Canadian contract, signed March 31, 1938, was criticized by Lieut.-Col. George Drew, K.C., of Toronto, in a magazine article and the inquiry is the result.

Maj.-General L. R. LaFleche, Deputy Minister of National Defence, was on the witness stand for the fifth day and identified the cables filed with the commission.

FIVE KILLED IN ONTARIO CRASH

Young Woman on Way To Hospital Among Auto-train Accident

LONDON, Ont. (CP)—Five residents of this district were killed today in a Canadian National Railway level crossing accident near Denfield, a few miles north of here. The victims, all occupants of the one motor car, were: Dr. George Racey, Parkhill; Mr. and Mrs. Fred Wills and their adopted five-year-old daughter of Thedford, and Miss Evelyn Mason, Parkhill.

Police said Dr. Racey, driver of the car, was bringing Miss Mason and Wills to London for hospital treatment. The young woman had suffered a fracture of one arm in a traffic accident last night.

Copper Goes Up To 11 Cents and Zinc Also Gains

Some U.S. Exports of Red Metal Above Level of 1/4-Cent Boost Cent Gain Since July

NEW YORK (AP)—Copper for delivery in the United States was advanced in price today to 11 cents a pound, up 1/4 cent to the highest quoted in nearly a year.

It was the fourth price mark-up since this month and represented a gain of a full cent a pound since late July.

Export buying has been brisk lately and the foreign price has led the way for the boosts in the domestic quotation. Sales for foreign shipment were reported above the 11-cent level.

Following copper on the rise, zinc was boosted 1 cent to 5.05 cents a pound, delivered at East St. Louis.

It was the third increase this fall and marked a gain of more than half a cent a pound since mid-year. Last spring zinc sold at 4 cents. The new quotation is the highest since November last year.

WORLD SUPPLIES DOWN

Monthly copper statistics furnished the trade with further evidence of improvement in the supply and demand position of industrial metals as result of the revival of buying since mid-year.

Trade figures showed world stocks of refined copper last month dropped 37,070 tons to 458,445. Blister stocks were off 6,409 tons, making a drop of 43,479 tons in combined refined and blister metal.

Domestic refined copper stocks were figured at 293,080 tons, a drop of 22,111 compared with 315,191 at the end of August. Domestic blister stocks were up 3,328, leaving a net drop of 18,173 for both items.

World apparent consumption of the metal, the figures revealed, gained 13,355 over August, with domestic use up 5,566 tons. Domestic output of crude copper increased 4,981 tons over the August figure of 49,746 tons.

Foreign output of crude was recorded as down 8,205 tons to 37,710 tons.

Domestic refined output rose 7,755 tons to 45,808 in contrast with a drop of 2,798 to 108,057 in refined output.

RANCHER EARL SELLS HIS CASTLE

Lord Egmont in Calgary Awaits Details From England

CALGARY (CP)—Confirmation of the sale of Avon Castle, ancestral home of the Earl of Egmont, Alberta's rancher peer, was awaited here today.

Reports from London said the picturesque castle in England had been sold to H. J. Colebrook, wealthy London surveyor. Lord Egmont, however, had not been advised of the sale at noon today. He called his London agent for confirmation.

The price was reported to be £80,000. The estate covers 1,322 acres.

Cartoonist Segar Lies Critically Ill

SANTA MONICA, Calif. (AP)—E. C. Segar, creator of the comic personality "Popeye the Sailor," was so critically ill at his home today that Dr. Raymond Sands said he might not live more than 24 hours.

The cartoonist has been ill for six months with an ailment that resulted in the removal of the spleen. Physicians have despaired of his life for some time. Segar lapsed into a coma last night.

Japan Gives Britain Pledge Nippon, Attacking in South China, Promises Powers' Interests Safe

LONDON (CP)—The Japanese government has informed Sir Robert Craigie, British ambassador at Tokio, that British commercial rights and interests in south China will be respected. The assurances apply to any third power affected in the Japanese-Chinese war area.

The Japanese government's statement resulted from representations made earlier by Sir Robert that Anglo-Japanese relations might be jeopardized by interference with British commerce in south China.

TROOPS RUSHED IN

HONGKONG (AP)—Heavy Chinese reinforcements were rushed from the East River district to the Bias Bay area near here Thursday with indications they might soon come to grips with a large new Japanese expeditionary force.

Roads to Waichow, 80 miles east of Canton and the garrison city nearest Bias Bay, were choked with commandeered trucks and buses filled with Chinese soldiers.

Waichow is believed one of the first objectives of the Japanese contingent, estimated to number more than 35,000.

The defenders are expected to give the Japanese the first real resistance at Tamsui, 10 miles from the coast, and farther inland beyond the range of Japanese naval guns. The Chinese were reported to have built strong defence works to protect the railroad, over which munitions and other supplies have been shipped to Hankow, Chinese provisional capital, 550 miles north of Canton.

BOILER OF TRAIN ENGINE BLOWS UP

Three Crew Members Killed in Accident On Line in Illinois

ELGIN, Ill. (AP)—The boiler of a steam locomotive on a Chicago, Milwaukee and St. Paul Railroad freight train exploded on the main line three miles northwest of here today, killing the engineer, fireman and a brakeman. Two other members of the crew were slightly injured.

The dead: Patrick Mangan, about 50, of Chicago, fireman; George Nelson, 60, Chicago, engineer, and George J. Hachtel, 47, Elgin, Ill., brakeman.

The explosion occurred as the engine was pulling 99 freight cars up a grade on a west-bound trip from Chicago to Savanna, Ill. Wreckage of the engine was strewn along the right-of-way several hundred feet.

Heavy Rains End Long Dry Spell

After five months of unusually dry weather, Victoria has had 1.58 inches of rain since Sunday morning, according to today's report from the Meteorological Observatory on Gonzales Hill.

Heaviest rain was yesterday morning between 7 and 9, although it also rained heavily during the night. Late last night there was more rain and again this morning there was a fairly heavy downpour.

This morning's forecast was for gradually clearing weather, turning cooler. To date the weather has been mild and comparatively few furnaces have been lit for the season.

Settlers Flee Before Fires

FORT FRANCES, Ont. (CP)—Danger zone of the forest fire menace which has claimed 20 lives in the Rainy River country of northwestern Ontario today moved to 40 miles west of Fort Frances, where settlers were forced to evacuate their homes.

A strong south wind stirred the smouldering forests into flames near Stratton.

Forces Drive Arab Terrorists From Holy Land Area

MOSLEM MURDERED

By JAMES A. MILLS Associated Press Staff Writer

BETHLEHEM — British reinforcements freshly arrived from England established firm control today of the Bethlehem-Hebron area, which had been the seat of operations of one of the largest Arab bands in Palestine.

Equipped with armored cars, trench mortars and machine-guns, 400 men of the Worcestershire Regiment replaced a small post of Black Watch Regiment troops in Bethlehem.

The new troops took over all of Bethlehem, which had been barely held by the post for weeks. Detachments then pushed on 12 miles to Hebron, solidifying control of the area in which the Arab band had been operating virtually unchecked.

This band, with the support of Arab villagers, has terrorized areas as far south as Beerseba and north to Jerusalem.

The Worcestershires arrived from England last week and immediately went into action to quell outbreaks of Arab-Jewish disorders.

Christian and Moslem antique dealers near the Church of the Nativity importuned this writer to buy Christian antiques, explaining they had done no business for a long time.

"We hope peace comes soon, otherwise we shall be bankrupt," said their leader.

MOSLEM SLAIN

JERUSALEM (AP)—Hassan Sidky el Dajany, a prominent Moslem lawyer who refused recently to participate in a campaign against Jews and British authorities, was shot dead today.

An investigation disclosed Dajany had been seized by an Arab band near Hebron last night and was shot and stabbed to death.

The slaying followed a day of terror and bullets that killed 25 Arabs yesterday and caused the British Royal Air Force to dispatch two planes to rescue a British police patrol ambushed by Arabs.

For many years Dajany was a friend of Haj Amin Effendi el Husseini, the exiled Grand Mufti of Jerusalem, but was reported to have turned against the Mufti recently and refused to take part in the anti-Jewish campaign.

At the Damascus gate today two other Arabs, reported black-listed by organized Arabs, were killed.

(The Grand Mufti fled the Holy Land October 16, 1937, and since July, 1938, has been living in Lebanon).

STRAITH TO OPEN DEBATE IN HOUSE

The honor of launching the opening debate in the British Columbia Legislature this year will fall to a Victoria member, W. T. Straith.

Premier Pattullo said this morning he had asked Mr. Straith to move the address in reply to the Speech from the Throne, to be followed by Louis LeBourdais, member for Cariboo.

Both are junior Liberal members of the House, having had their baptism in debate at the session last fall following the general election.

Preparations for the session which will open October 25 were being rushed ahead today by Sergeant-at-Arms E. O. Weston's staff under Speaker Norman Whittaker, K.C.

Due to a rearrangement of the floor plan this year there will be less seats available on the floor of the House for the opening and all space has already been spoken for.

Sessional staffs of stenographers, attendants and pages will be named this week.

LOOK FOR THE GRADE MARK when you buy...

When ordering your eggs, poultry, canned fruits and vegetables, and creamery butter, ask for the quality you want, by grade—then look for the grade mark on your purchase. When you buy by grade, you buy with confidence.

EGGS

The Government grades of Eggs are

(GRADE "A") - GRADE "A" - GRADE "B" - GRADE "C"

GRADE A (three sizes): Large, Medium, Pullet, best quality, suitable for poaching, boiling, frying; GRADE B, good quality, slightly inferior to Grade A for poaching, boiling, frying, but entirely suitable for cooking purposes; GRADE C, lowest graded quality, (Grade A1, Large, Medium, Pullet, finest quality fresh eggs from Government inspected flocks, are available in limited quantities in certain localities.) Grade names are marked clearly on egg cartons.

POULTRY

The Government grades of Poultry are

GRADE "A" - GRADE "B" - GRADE "C"

GRADE A, superb birds, well-fleshed, especially fattened for tenderness and flavour; GRADE B, good birds, but not as well-fleshed, fattened or flavoured as Grade A; GRADE C, lowest graded quality. Graded poultry may be identified readily by a coloured tag on the wing or breast of the bird. Red for Grade A—Blue for B—Yellow for C.

CANNED FRUITS AND VEGETABLES

The Government grades of Canned Fruits and Vegetables are

FANCY QUALITY - CHOICE QUALITY - STANDARD QUALITY

FANCY QUALITY, packed from a selection of the best fruit and vegetables available; practically uniform in maturity and free from blemishes; uniform in size and colour, canned at the proper time, so that excellence of flavour and appearance may be preserved. CHOICE QUALITY, packed from fruit and vegetables selected for tenderness and flavour. Not as uniform as "Fancy Quality," allows slight variation in size, colour and maturity. STANDARD QUALITY, packed from fruit and vegetables of good quality but not necessarily meeting the higher grade requirements as to size, colour and maturity.

CREAMERY BUTTER

The Government grades of Creamery Butter are

FIRST GRADE - SECOND GRADE - THIRD GRADE

FIRST GRADE—highest quality; excellent flavour; well made; smooth, waxy texture; uniform in colour. SECOND GRADE—usually inferior in flavour, texture or colour.

Mobilization Office Urged

Sir A. Geddes Suggests Britain's People Be Prepared for Quick Defence

LONDON (CP-Havas)—Sir Auckland Geddes, war-time Minister of National Service, today appealed for re-establishment of a government office similar to the one he headed during the Great War to ensure "mobilization of the population for a total war" within a few months after the outbreak of a new conflict.

In a letter to The Times, London, Sir Auckland, a former principal of McGill University, Montreal, suggested submission of a simple questionnaire to all British voters to determine their reaction to his proposal, which has received the editorial support of The Times.

"The general duties of a ministry of supplies are fairly obvious and need not be discussed further than to say that it is clearly impossible to 'mobilize industry' without such a ministry," Sir Auckland wrote.

While the ministry of supplies would be devoted exclusively to economic questions, a ministry of national service could during peace-time "find the right people in sufficient numbers" for possible war-time work.

Sir Auckland after the Great War served as Minister of Reconstruction, president of the Board of Trade and British ambassador to the United States.

NEWSPAPER CAMPAIGNS

Viscount Rothermere's London Daily Mail today intensified its efforts to obtain replies from its readers to a questionnaire asking: "Are you in favor of obligatory military service or organization of a voluntary service?"

Lord Beaverbrook's Daily Express also continued its campaign for conscription of the nation's economic and man-power resources, citing the statement of Frank Fehr, president of the Baltic Exchange—one of the world's greatest grain markets—in favor of conscription of men for the army and also of industrial and commercial enterprises.

Mr. Fehr said officials of the Baltic Exchange were disposed to see their entire organization placed at the command of the government.

No Japanese Threat

Dr. W. A. Carrothers and Two Other Investigators Publish Favorable Finding on Nippons in British Columbia

OTTAWA (CP)—Japanese in British Columbia no longer can be considered a menace or even a serious problem, three investigators declare in "The Japanese Canadians," an exhaustive study of Japanese in Canada just published by the University of Toronto press.

The authors reach the conclusion that even if 50 immigrants continue to arrive annually as they do under the present agreement with Japan they will not add materially to the population growth of the Japanese in British Columbia, especially as compared with the probable growth of all other groups in the province.

The authors are Chas. H. Young, who has studied various foreign populations in western Canada; Dr. Helen R. Y. Reid, a prominent social worker, and Dr. W. A. Carrothers, former chairman of the economic council of British Columbia and present chairman of the fuel board.

"They say that the high birth rate of the first generation of Japanese in Canada appears to be on the decline, partly because the immigrants are rapidly moving out of the child-bearing age group and are not being replaced immediately by members of the second generation, but also because the birth rate is beginning to respond to the same forces which have cut birth rates in practically all countries of the civilized world."

PREJUDICE MAINTAINED

The authors agree that so long as Japanese are allowed to come into Canada they keep alive the whole question of Japanese immigration and prejudice the position of the Japanese. They declare the best thing Japan could do in the interest of Japanese in Canada would be to restrict voluntarily all further immigration to Canada. "Her willingness to negotiate successive gentlemen's agreements would indicate that her authorities are aware of the fact," they state.

Containing difficulties with Japanese, apart from the question of population growth, have arisen almost exclusively in connection with the invasion of different trades and industries, the authors suggest as a remedy a quota system permitting Japanese to enter all or selected occupations to the extent that their proportion of the population justifies.

A quota system, the authors say, would involve less friction than the present system, under which governmental authority had been used to exclude Japanese from some industries and would afford greater protection to whites with less discrimination against Japanese.

If protection must be given to white workers "it seems that it might be done in a manner which would not involve recurring agitation and discrimination against Japanese." Governmental action to restrict the numbers of Japanese in any industry "has been harsh and the general result has been to inflict unnecessary hardship on a sensitive people, and keep them in a state of insecurity while the solution of the problem was indefinitely deferred until such time as the whites in all industries threatened by the Japanese received protection by governmental intervention."

REFLECTIONS ON LEADERS

The quota system, the authors believe, would avoid "the pin-pricking restrictions which reflect credit neither on the justice nor the intelligence of the political leaders of the province."

They also believe that the quota system would aid in eliminating the "peaceful penetration myth" based on the high birth rate and rapid economic development of the Japanese. "Since there is no longer any reason for regarding these myths seriously they may be expected to recede gradually from the picture provided that the standard of living of the white workers is protected by quota system or some other means."

"Otherwise individuals threatened by the Japanese may be expected to keep alive the myths as a part of their agitation against their competitors."

In their study of Japanese in Canada, the authors found they are "among the finest citizens" of the country.

"In the economic field they have shown enterprise and efficiency. Educationally they make use of schools as much as any other racial group, and their children are second to none in scholarship and deportment. Socially and politically, they appear willing to co-operate wherever and in so far as circumstances permit," the authors say.

In answer to the criticism that the Japanese in British Columbia remain Japanese in heart, the authors say that spokesmen of the Japanese appear willing to admit that the majority of the first generation is probably loyal

to Japan, but they do not think they differ materially in this respect from other immigrant peoples.

The volume quotes Japanese spokesmen as saying that the bulk of the second generation would have extreme difficulty in adjusting themselves to a foreign culture, and have no desire to go to Japan except for a visit.

Expanding their reference to the citizenship of Japanese in Canada, the authors said: "With regard to problems of dependency, delinquency and insanity, in which so many other immigrant groups have proven conspicuously inadequate, the Japanese appear to have an unimpeachable record."

UNREASONED DISLIKE

"In spite of their unusual record they appear to be one of the most disliked or hated groups in British Columbia. This is the final paradox in a situation replete with paradoxes; a people so excellent in many respects yet not wanted as immigrants by a country reputedly in need of them."

Attempting to account for this, the authors review objections of whites to Japanese in British Columbia, their claims that the Orientals compete unfairly in business, that they are not assimilable and that they owe loyalty only to Japan. They also review answers of Japanese to these objections.

Regarding the frequently leveled criticism that there is a rapid or "alarming" growth in the Japanese population as a result of the high birth rate, the authors say that usually the birth rate is considered "without reference to its real significance in relation to the peculiar age and sex composition of the group." The consequence "is that the birth rate has become the point of departure for a whole series of myths as to the ultimate role of the Japanese in the economic and political affairs of the province."

They hold that it is probable some objections to the Japanese would have no unusual significance "in the thinking of the whites" were they considered apart from the fact of the unassimilable character of the Orientals.

"Groups in British Columbia and elsewhere in Canada receive wages as low or even lower than do the Japanese. Their families work long hours for most inadequate returns and have a comparable low standard of living and they reproduce as fast or nearly as fast as the Japanese. But they are not unassimilable because of their color or other physiological characteristics," the authors say.

CREWS WIN FIGHT WITH OIL FIRE

Blaze Held to One Tank After Great Outbreak at Linden, N.J.

LINDEN, N.J. (AP)—A fire, which destroyed millions of gallons of oil, kerosene and gasoline and injured a score of men, was smothered today, leaving eight acres of the Cities Service Company's "tank farm" a field of charred, twisted girders.

Fire Chief Frank T. Miller, who estimated damage at "more than \$1,000,000," said the fire had finally been localized to one 1,554,000-gallon tank of fuel oil. Approximately 20 other tanks were destroyed by explosions and flames.

Rivers of water and fire-smothering foam were poured by firefighters into the burning tanks and blazing oil last night and this morning.

A crowd of 35,000 had watched in awe for hours as an estimated 10,000,000 gallons of oil went up in flames, 500 feet high, causing damage unofficially estimated at \$1,000,000.

The spectacular fire, accompanied at the start by explosions as one after another of nearly all of 22 tanks in the oil field were ignited, could be seen more than 10 miles.

BRITAIN URGED TO ARM FOR PEACE

Ex-Foreign Under-secretary Says Munich Accord Was Only Solution

WEYMOUTH, Eng. (CP-Havas)—Great Britain must adopt vigorous measures to speed rearmament if world peace is to be preserved, Viscount Cranborne, former Foreign Under-secretary, said last night in a speech before his constituents here.

"If we throw our whole energies into rearmament, I do not despair of peace, because one of the most satisfactory features of the crisis, and perhaps the only satisfactory feature, was that the German people did not want war," he said.

Russian Pretender Groups Divided

Uncertain Whom to Name "Czar" Following Death of Cyril

PARIS (AP)—White Russian circles reported today a split had developed over the choice of the next "Czar of all the Russias" to succeed "Ex-Grand Duke Cyril Vladimirovich, who died in exile yesterday."

The handsome, 62-year-old head of the House of Romanoff and pretender to the vanished imperial Russian throne proclaimed himself Czar in 1924 in a manifesto that named as his successor his 21-year-old son and heir, Grand Duke Vladimir Cyrillovich.

Some emigres said, however, many Romanoffs considered Vladimir's status doubtful since his late mother, Grand Duchess Victoria Feodorovna, was a granddaughter of Queen Victoria of Great Britain and a Protestant instead of Greek Orthodox.

The other claimant is Ex-Grand Duke Dmitri Pavlovich, Cyril's cousin. He was present with other members of the family and a few close friends at Cyril's death, and was expected to take the present opportunity to consolidate his claims to the pretenship.

CANADA'S EXPORTS SHOW DECREASE

Shipments of Domestic Products in September \$83,180,000

OTTAWA (CP)—Canada's domestic exports in September totaled \$83,180,000, a decrease of \$10,972,000 compared with \$94,152,000 in September, 1937, the Dominion Bureau of Statistics reports.

Leading exports during the month with figures for the corresponding month last year in brackets:

Gold, other than monetary, \$10,278,000 (\$11,655,000); wheat, \$8,410,000 (\$7,507,000); wheat flour, \$1,231,000 (\$1,855,000); fish, \$2,982,000 (\$2,062,000); furs, \$518,000 (\$598,000); meats, \$2,425,000 (\$2,833,000); cheese, \$2,050,000 (\$1,228,000); planks and boards, \$3,015,000 (\$5,411,000); wood pulp, \$2,305,000 (\$3,744,000); newsprint, \$8,524,000 (\$11,304,000); automobiles and parts, \$1,412,000 (\$1,505,000); copper, partially manufactured, \$4,704,000 (\$5,009,000); nickel, unmanufactured, \$4,977,000 (\$4,747,000).

For the six months ended September 30 exports were valued at \$19,244,000 compared with \$57,740,000 in the corresponding period of 1937. Exports of foreign produce in the same periods amounted to \$37,448,000 and \$8,766,000 respectively.

The large increase in foreign exports is accounted for by substantial re-exports of foreign gold in minted coin this year, amounting to approximately \$33,000,000 in the six months ended September 30 compared with only \$17,000 in the same part of last year. These exports of previously imported gold substituted for exports of Canadian metal, and part of the decline in domestic exports is accounted for by the drop in shipments of nonmonetary gold bullion from \$70,253,000 in the six months ended September 30, 1937, to \$23,886,000 in the same period this year.

Oil Company Wins Oklahoma Suit

TORONTO (CP)—The British American Oil Producing Company, wholly-owned subsidiary of the British American Oil Company Ltd., won its case in the Oklahoma courts against the Bransford-Midway Oil Company, according to a statement given out by the British American Oil Company today.

The subsidiary company was sued by Bransford-Midway, which claimed a half interest in certain acreage purchased by B. A. Oil Producing Company in the Oklahoma city field. Some highly successful wells were developed on the property.

Small Cut on Home Appeals

Reductions aggregating \$5,550 on 38 appeals covering parcels of property were granted by the court of revision on the assessment roll as it met yesterday and today in the City Council chamber.

The court adjourned until tomorrow morning at 10 to hear further complaints.

Mayor Andrew McGavin presided over the court, which included Aldermen John A. Worthington, S. H. Okell and W. L. Morgan.

Assessments on land were sustained in every case, revisions being made solely on buildings during hearings yesterday and this morning.

Two more cases are still to be considered.

Many Air Raids In South China

CANTON (AP)—A total of 123 Japanese warplanes were counted passing over this south China metropolis Thursday enroute to bombing forays in Kwangtung Province. They concentrated on railroads.

Destruction of a bridge of the Canton-Kowloon Railway crippled that line to Hongkong and meant that Canton, while facing the threat of direct air attacks, might be cut off from the south except via Macao, Portuguese colony on a peninsula 70 miles south of Canton.

NEW ATTACK

SHANGHAI (AP)—Japanese land and naval forces launched a withering attack Thursday on Shihchaisan fort, just 60 air miles from Hankow, around which the invaders slowly are closing in while a new Japanese expeditionary force begins attempts to dominate south China.

The invaders established a spearhead at Sinyang, 100 miles north of Hankow, for two-way campaigns designed to add to the Peiping-Hankow railway mileage to their already captured railroads.

AID IS BLAMED

TOKIO (AP)—Japanese declared Thursday that British and French aid to China through Canton necessitated the new south China offensive.

"The British purpose in holding Far Eastern fleet manoeuvres off Hongkong (last summer) was quite evident to Japan," the newspaper Kokumin said editorially.

"Both British and French should recognize their shortsighted view is responsible for expansion of the fighting," a Nichi Nichi editorial argued.

GERMAN DEMANDS HEARD IN DENMARK

COPENHAGEN (CP-Havas)—Danish authorities today scrutinized a five-point series of demands publicly made by Dr. Jens Møller, "Fuehrer" of the German minority in Denmark.

Dr. Møller proclaimed his demands at a public meeting. They were reminiscent in form of the "eight-point program" laid down by Konrad Henlein, Sudeten German leader, at Carlsbad last April. He demanded:

1. Cessation of attacks on the Reich by Danish officials in Slesvig, the former German territory joined to Denmark in 1920.

2. Cessation of the Danish campaign against the "possibilities of existence" of the German group.

3. Reparations for all losses suffered by the German minority since 1919.

4. Immediate realization of German school autonomy.

5. Germans living in the country for 15 years must be regarded as naturalized Danes and therefore entitled to vote.

Danish Slesvig, officially known as the south Jutland provinces, has an area of about 1,500 square miles and a population of about 180,000.

INDEPENDENCE FOR PALESTINE

LONDON (CP-Havas)—"Britain must aim at the creation of an independent Palestine in which the Jews and Arabs co-operate," the London Daily Express, Independent, said today.

"That state must be excluded firmly from the British Empire. At present Palestine is no part of the Empire. It is a mandated territory, and we should resist any arguments designed to fasten on us permanent responsibility for it."

"It has no strategic value for us. It is not a British interest. It is, unhappily, a British duty."

Yesterday the Times, London, Independent, suggested the setting up of a federal system in Palestine which might later be extended to include Syria and other neighboring Arab states.

Let us suggest you support the Chest.

FRANK PATERSON IS GIVEN HONOR

Retired Superintendent
Of Telephone Company
Given Pioneer Certificate

Frank C. Paterson, who retired recently as superintendent of Vancouver Island for the B.C. Telephone Company was last night presented with life membership in the Telephone Pioneers of America.

The Pioneers' certificate was presented to Mr. Paterson at a ceremony at the Empress Hotel by Stirling Ross, the B.C. Telephone Company's equipment engineer, and a fellow member in the exclusive body of telephone workers.

For 51 years Mr. Paterson had been engaged in the telephone business. No person with under 21 years' service may be made a member of the Pioneers, with

whom Mr. Paterson has been connected since 1920. He is now the only pioneer in Canada's western provinces to hold a life membership.

James Hamilton, vice-president and general manager of the B.C. Telephone Company; E. P. LaBelle, general superintendent of the company's plant, and C. C. Simpson, who has taken Mr. Paterson's place, were present at the gathering.

Mr. Hamilton spoke briefly, reminding those present that the occasion was unique in the history of the company. He said that Mr. Paterson commenced his career when the telephone industry was less than 10 years old.

Invites King and Queen to Visit

An invitation to Their Majesties to include Victoria in the itinerary of their Canadian tour next year was sent by Mayor Andrew McGavin to the Secretary of State at Ottawa yesterday to be forwarded to the proper authorities.

The mayor's message follows: "May I request that you extend to Their Majesties the King and Queen the loyal greetings of the citizens of Victoria, and express our sincere hope that Their Majesties will be able to visit the capital city of the Pacific Coast province during their forthcoming visit to the Dominion."

"A large proportion of our population is of British birth, and consequently a royal visit would be a great source of satisfaction. We have been honored by many royal visits in the past, and trust that we may again have this privilege."

C.C.F. Bids for Opposition Rights

Expect Government Will Recognize Maitland as Official Leader

The C.C.F. party is making a bid to take over the role of official opposition in the British Columbia Legislature, it was learned today, but indications are that the attempt will be unsuccessful and the Conservative party will retain the honor.

Harold Winch, M.P.P. for Vancouver East, and C.C.F. whip has written to the government urging that it recognize his party as the official group on the left side of the House.

With both opposition groups sitting in equal number at the coming session the government has the right to decide which it will recognize.

The Times learned in authoritative quarters that the Conservatives will continue to sit in the official seats and R. L. Maitland, K.C., the new Conservative leader, will be the Leader of the Opposition and entitled to draw the \$2,000 yearly allowance that goes with the position.

The dispute has arisen over the outcome of the Dewdney by-election, held since the last session, in which the Conservatives lost a seat. In the House as it was elected in June of last year the Conservatives had eight members and the C.C.F. seven. Now each has seven.

The C.C.F. argues that on the basis of popular vote they are entitled to the opposition leader's salary.

In the general election the Conservatives drew 121 more votes than the C.C.F., the count being Conservatives 119,521, C.C.F. 119,400.

In the Dewdney by-election the C.C.F. candidate reduced by 327 the Conservative candidate's lead of the general poll. Thus, on a readjusted basis, the C.C.F. claims to lead the Conservatives in popular vote by 119,785 to 119,579.

Against this claim, however, is the argument that Conservatives for more than a quarter century have been one of the major parties in the House. Further, they were elected as the chief opposition, and the government will not change the role in the middle of parliament.

It is expected that the Conservatives will clinch the issue when the House meets with the announcement that R. W. Bruhn, Independent member for Salmon Arm, and former Conservative cabinet minister, will rejoin the Maitland ranks. In a statement at Salmon Arm yesterday Mr. Bruhn indicated he intended to support Mr. Maitland.

NEWS FILM IN BRITAIN BANNED

"March of Time,"
Dealing With Czechs,
Ruled Out By Censors

LONDON (CP-Havas) — Considerable surprise was expressed in film circles today over the board of censors' ban against the latest issue of the film, "The March of Time," called "Britain's Dilemma," and dealing with the Czechoslovak crisis. It dwells on the theme that Great Britain is the one country Chancellor Hitler fears.

The film was to have been released for general exhibition tomorrow, but the censors were said to have ruled it was "dangerous" and "likely to make trouble." Commenting on the ban, the London News-Chronicle said the censors had not made it clear "who or what would be endangered."

Sir F. Heathcote To Remain in B.C.
VANCOUVER (CP) — Archdeacon Sir Francis Heathcote intends to remain in British Columbia. The only titled clergyman in Canada has given permission for sale of his Hampshire estate, he told interviewers yesterday.

He returned from England with Lady Heathcote last Monday. "Hampshire is too far away for me," Sir Francis said. "There's 1,100 acres there, with a big house full of pictures and family heirlooms."

"The home is a mile from the road, and that makes it too lonely. I'm selling everything, except a few heirlooms."

Vancouver Funeral
VANCOUVER (CP) — A funeral service for the late Mrs. Lydia Agnes Rogers was held yesterday.

Mrs. Rogers, wife of Ernest Rogers, assistant to the president of the British Columbia Electric Railway Co. Ltd., died Sunday in her 60th year. She was born in Barrie, Ont., and had been a resident of Vancouver for 40 years.

Besides her husband she is survived by five sons.

LITTLE WORK FOR MAN ON LONG TREK

ORILLIA, Ont. (CP)—A 2,500-mile trek in search of work has convinced Mr. and Mrs. Joseph Giroux of Shawinigan Falls, Que., there is little kindness left in the world.

Driven from their home in the hydro-electric power centre north of Three Rivers by a fire that claimed the life of their son, the Giroux have trudged since mid-July through Quebec, Ontario and northern New York. Only once was Giroux able to find work, at St. Catharines, Ont., where he cut wood one day for 50 cents.

"We just have to keep walking until we find work—I don't know where it will end, but we have been going at it nearly three months now, so I guess we can keep going," Giroux said when he reached this Lake Simcoe town.

"No," he said, "people don't help us very much along the way. There is no hospitality left any more—everywhere we stop at a cabin and ask for a bed at night we hear the same thing: 'How much money have you got? You

Two Auto Plants in Indiana Closed

EVANSVILLE, Ind. (AP)—Two automobile factories were closed by a strike for the second time in less than a month and an estimated 2,400 workers were idle here today as the Chrysler Motor Corporation and United Automobile Workers of America, a Committee for Industrial Organization affiliate, negotiated in secrecy. Neither Chrysler officials nor union leaders would reveal the reason for the strike, which started Tuesday.

Axis Politics

JAPAN EVIDENTLY OBTAINED A MUCH-needed stimulant from Munich. She has embarked on her program in South China, telling Great Britain, in effect, that she would be sorry, so very sorry, if her "short-sighted view" should be responsible for a still further "expansion of the fighting" in the Orient. The authorities at Tokyo announce that British—and French—aid to China through Canton has necessitated the new offensive, which offensive, of course, brings Hongkong perilously near the firing line. The landing of Japanese troops at Blas Bay, about 50 miles from the fortified British possession, has caused Downing Street to "remin" Nippon's government that any "incident" might involve risks to Anglo-Japanese relations. Today's news from South China is far from reassuring.

Another little diversion has been created in Central Europe by Hungary's newly-acquired confidence. The Budapest government has told the authorities at Prague that unless territorial concessions demanded of the already dismembered Czechoslovakian republic be granted at once, unfortunate circumstances may be expected. It is understood that the Hungarians want 8,000 square miles of southern Slovakia, or 6,000 square miles more than the Slovaks are prepared to cede. Closely linked with this new development in the totalitarian "free-for-all" in Czechoslovakia is the announcement from Berlin that Reichsfuehrer Hitler is about to organize a drive to finish the economic part of the carving job so neatly begun at Berchtesgaden, extended at Godesberg, supposedly finished at Munich, and now definitely continuing. Object: To make Czechoslovakia an economic dependency of Germany. Nor does the totalitarian chieftain intend to leave anything to chance. Field Marshal Hermann Goering is attending to the fine points. He performed a similar and, presumably, highly-satisfactory job in Austria after Anschluss had become an accomplished fact. There is nothing Czechoslovakia can do about it. Gone are the days when her brave people could look to Great Britain and France for help.

Although the Latin partner in the axis triumvirate is not getting much practical fun out of the general world situation, he rubs his hands with glee as he sees Great Britain's problem in Palestine taking on new complexities, responsibility for not a little of which rests squarely on Italian broadcasts in Arabic over many months. Signor Mussolini twiddles the Anglo-Italian "friendship pact" in his fingers as he sees British interests in the Holy Land become more and more involved between Arab and Jew.

So, while the Munich agreement still is being acclaimed as the forerunner of a new charter for the peace of the world, the three despotic states are scheming as no combination of nations have schemed in our day for the complete overthrow of what we are pleased to call democracy and all the term connotes. Japan retains her visions of control in the Orient. Germany visualizes European hegemony by the application of the "Drang nach Osten" formula. Italy still hopes to convert the Mediterranean into an "Italian lake." Verily, therefore, have Brutality, Trickery, and Greed thrown down the gauntlet to Faith, Hope, and Charity!

Another Side

OF SPECIAL INTEREST TO CANADIAN exporters is the publicity which is being given to a letter to the editor of Canada's Weekly (London) from Mr. J. W. Banfield, Labor member of the House of Commons for the Staffordshire borough of Wednesbury, in which he discusses the Ottawa pacts and Britain's selling and buying business with the Empire generally. Mr. Banfield is associated with the Amalgamated Union of Co-operative Bakers, Confectioners and Allied Workers, but he addresses himself to the subject from the producer's standpoint. He says in part:

"During the years 1936-37 we bought nearly £408,000,000 (£407,969,912) worth of goods from all overseas British countries. They bought only £245,000,000 worth from us; and an adverse balance of £163,000,000 in a year does not hold out the rosiest prospects of a higher standard of living for the workers of this country.

"The figures for the dominions alone show sales to us worth approximately £344,000,000 (£343,950,037) and sales to them of £191,374,816. The situation is alarming when you remember the growing proportion of manufactured goods in the total, for it is one thing to exchange goods manufactured in this country for primary products from British countries overseas, but it is quite another to permit the latter to overwhelm us with manufactured goods competing, often unfairly, with our own.

"How urgent is the need for a careful examination of the whole question may be judged by the fact that, although we bought from the dominions £104,000,000 worth more than did foreign countries, the dominions bought from foreign countries £35,000,000 worth more than they did from us."

Add to the foregoing the fact that in the last 12 months for which official figures are available we sold to the United Kingdom goods to the value of \$389,000,000 and bought

goods worth only \$137,000,000, and it will be seen that in a total exchange worth \$426,000,000 Canada had an advantage of \$289,000,000. But it also is interesting to note that in the normal year of 1926 this Dominion's export and import business with the United Kingdom was worth \$671,000,000, with a credit balance for us of no less than \$345,000,000! There were no Ottawa pacts then; but the business turnover was worth \$225,000,000 more than it is now—with the pacts six years old.

Yet some newspapers with upside-down imperialistic leanings—the Vancouver Daily Province, to wit—would tell Great Britain that she must not interfere with the preferences she gave Canada in 1932, no matter how she may need the extra money to help pay for her defensive equipment, and which she hopes to get from wider trade relationships with the world generally.

It's an Ill Wind...

PEOPLE WITH MONEY TO INVEST these days want to be sure that it can be put to work with some guarantee of reasonable and continual return. Perhaps one of the first effects of the recent acute situation in Continental Europe that Canada will experience, therefore, will be a new interest on the part of Old World money—especially United Kingdom funds—in the possibilities of this Dominion as a lucrative and more or less stable field for investment.

It is not too much to say that the threat of war, not forgetting the growing uncertainty created by the strengthened Teutonic hegemony, has brought home to many a realization of the Dominion's favored geographical position, as compared with European countries. The impression appears to be widely held that since large sums of British money were sent to the Dominion in the days when its railways were being built and its resources were being opened up, the British investor has neglected Canada, and that practically all the outside money has come from the United States. This, however, is by no means the case.

In a report just issued by the Dominion Bureau of Statistics for the year 1936, direct British investments in Canada are definitely shown to be greater than is generally realized. Naturally the people of the neighboring Republic, living next door to us, have a better insight into and appreciation of the character of the industrial and other development that is taking place in Canada. The return in question shows that direct investments in the Dominion controlled in the United States at that time represented \$2,180,000,000, while the British direct investment was \$430,000,000. Dividends and interest on funded debt paid by companies controlled outside of Canada in 1936 totaled \$142,767,000, of which \$87,595,700 was paid to United States residents, \$33,280,600 to residents of Canada and \$19,575,200 to residents of Great Britain.

The fact still remains, of course, that in capital investments the United Kingdom's "interest" in Canada has varied but little in the last quarter of a century. The amount in 1914 was \$2,712,000,000, in 1926 \$2,598,000,000, in 1936 \$2,725,000,000. In the same years United States capital invested in this country amounted to \$904,000,000, \$3,161,000,000, and \$3,985,000,000, respectively.

In the banner year of 1930, out of a total outside investment of \$7,196,000,000, the United Kingdom accounted for \$2,766,000,000 and the United States \$4,298,000,000. To offset the foreign capital working in Canada at the end of 1936, totaling \$6,834,000,000, Canadian money invested in British and foreign fields amounted to \$1,656,000,000.

Of all sad words of tongue or pen, the saddest are these "Nazis win again."

According to a prominent scientist the world is shrinking. Especially Czechoslovakia.

It seems that by united action and a great show of force, the democracies persuaded Hitler to accept what he had intended to take.

ABERHART STILL WANTS TO CONTROL THE PRESS

From Ottawa Journal
Alberta's Mr. Aberhart makes it clear that if only the courts would permit it he would put a short end to newspaper criticism of himself and his policies. "Some," of the daily papers, he said, continually printed "misrepresentation and balderdash."
Mr. Aberhart went on to make still clearer his conception of the relationship between the press and "those in authority." What was the good, he said, of teaching children "to tell the truth and have confidence and trust in governments" when the newspapers "break down this idea every day and develop a spirit of lawlessness?"
If the Premier of Alberta means what he says he would prohibit anything but "constructive criticism"—and we need not imagine much would get by his censors under that classification—of a government in being. That is the practice of the totalitarian states: It is, of course, a radical departure from the British way. A government is entitled to trust and confidence only while it is worthy of trust and confidence. A bad government should and must be criticized, its faults exposed, so that it may be turned out—a good government has nothing to fear from even the most unrestrained criticism. These are elementary political facts, but obviously they are not accepted by Mr. Aberhart.

And Mr. Aberhart is not consistent. In the election that brought him into office he was free with his denunciation of "those in authority" in the province, because it was his opinion that they should be turned out. He has never hesitated to criticize in the strongest terms "those in authority" in the Dominion. Where is the "trust and confidence" he thinks the newspapers should encourage, even in governments in which they have no confidence?

Loose Ends

By BRUCE HUTCHISON

SILLY IDEA

THE UNITED STATES GOVERNMENT, or some of its lesser bureaucrats, are showing bad judgment and rather a childish outlook when they stop John Strachey from entering the country. Strachey is an English Communist, a gentleman by the best English standards and one of the best minds in the world today.

Millions of people, who hate Communism, have read Strachey with delight and profit, because he has analyzed society and the state of the world in a way that the ordinary man can understand. Strachey doesn't need to be a revolutionist or a conspirator. His books have done more to shake the world's faith in the existing order than all the work of the Comintern and the petty-fogging agitators who delight in making trouble from time to time. Strachey has had the opposite effect also. He has made people who love freedom and hate Communism resolve to make private ownership work better, as it must, if it is to survive. He has been a thoroughly useful and valuable world citizen.

I have no doubt that Mr. Roosevelt has read his books and profited by them, and to keep him out of the United States now is to follow the very methods of Communism which is condemned in him.

Besides, it makes a great nation look silly, and one hopes it will have reversed its ruling by the time this is printed. It reminds me of the mentality of a Canadian immigration official at Niagara Falls some years ago, who looked me over with suspicion when he found a copy of Carlyle's "French Revolution" in my bag and evidently thought I was a French anarchist.

WANTED, A POET

IN OTHER PLACES now they are getting ready for the cold, putting their garden tools away, denning up for six months. Here the fun is just beginning. The berries are just reddening on the holly and the cotton-wool, the Christmas roses are just making their buds now and the snowdrops are busy already down below, ready to spring up pretty soon. And the real gardeners—not the faint-hearted dilettantes of April and May who never venture forth until the daffodils have bloomed—are just now shining up their shovels, sharpening their hoes, oiling their red wheelbarrows.

Yes, with the magnificent pile of treasure which George Fudbury has left for me in exchange for my hay crop, I look forward to a season of pure joy.

And when you come to think of it, what a jolly season autumn is in British Columbia, how little appreciated, how unsung. In older countries poets wrote rhapsodies on autumns much less interesting than ours. Keats, who did the best job of all, never saw an autumn half as varied, as lively, as full of color as ours.

Up in the Okanagan they are picking the late apples now, hanging, dull-red and heavy, on the tired trees. Up in the Cariboo, where the poplars smear all the hills with pure gold, the cowboys are beginning to move the cattle down off the summer range, edging them slowly, day by day, down to the lower levels where they can live through the winter. Up north the settlers are hauling in birch for their winter fires, that splendid wood which will burn all night in a drum stove like coal.

In the Indian villages beside the Fraser apples and onions are drying on long strings, and slabs of salmon from the river hang on racks over the smoke of slow fires. Down the railways the autumn grain is moving to the sea, an endless yellow trickle from the prairies. The salmon are finishing their long autumn journey up the rivers to the remote brooks where they will lay their eggs and die, and southward now comes the great Canada goose on its endless pilgrimage southward, with a faint sound of beating wings high up over the yellow stubble fields. On the coast, in our own island jungle, the smoke of clearing fires rises now, deep blue and richly perfumed, as the settler resumes the endless task of fighting down the fierce growth of this soil.

And (unhappy thought) the politician stirs once more in his lair, and reversing all the usual processes of nature, will shortly emerge after his summer's hibernation and sun himself under the yellow electric lights of the Legislative Chamber.

Yes, it is autumn in our country, and full of a quickening life after the lazy summer, and all we need is a poet to do it justice.

CANADA'S MINORITIES

From Hamilton Spectator
It is interesting at this time to note the population divisions of Canada in respect to racial minorities.
On the basis of the 1931 census the numbers of the leading racial origins in this country, out of the total population of 10,376,786, were as follows:

British	5,381,071
French	2,927,990
German	473,544
Scandinavian	228,049
Ukrainian	225,113
Dutch	148,962
Polish	145,503
Italian	98,173
Russian	88,148
Czech and Slovak	30,401

THE ACORN AS A CHARM

From Dundalk-Herald
Quite a number of airmen carry with them, when flying, an acorn. Ever since the days of the Druids, the acorn has been the accepted charm against lightning. Look at the end of your blind cord, and you will probably find an acorn. So, too, with your curtain poles and the tassels of your umbrellas. No steeplejack worthy of his salt would think of going aloft without carrying an acorn in his pocket.

CHINESE AMBULANCE FUND

To the Editor:—On behalf of the committee of the Victoria branch of the Canadian Friends of the Chinese People, I should like to take this opportunity of thanking the public of Victoria and district for their most generous response to our tag day. The fact that it was one of the best tag days in the city's history indicates the great interest and sympathy of our citizens toward the suffering people of China and a tribute to their heroism in their fight for democracy against aggression. Special thanks are due to Mrs. H. M. Hall, the tag day convenor, and to the ladies who so faithfully tagged. Our Chinese friends took a prominent part in the campaign. Thirty Chinese ladies were in the forefront of the tagging and did splendid service. To these and to Mr. Yuen Tong, who donated a truckload of vegetables, and to Mr. Chew Dang, who sold them for the good of the cause, we proffer our thanks. This effort realized the splendid sum of \$115.67, which, added to the amount collected by the tag, amounts to \$978.05. The ambulance is going to be ordered immediately, but we would like to remind our citizens that there is still a tremendous need for surgical supplies and money to care for the wounded soldiers and civilians, as well as for the thousands of orphans and refugees. Further contributions will be gratefully received.

Hon. Treasurer,

CREDIT HOUSE PLAN

From Calgary Herald
The latest scheme for the establishing of "social credit" in Alberta is about to be launched. The first step will be the setting up of a number of "credit houses" in central and northern Alberta. Every indication points to a complete collapse of the plan, because it unquestionably relies upon the people of Alberta placing in the custody of the government a considerable proportion of their hard-earned wealth.

A large number of Alberta citizens invested savings to the extent of close to \$10,000,000 in provincial savings certificates prior to the present regime. A portion of the monies thus accumulated were payable on demand and the balance over a short term of years. Since the Aberhart party secured power, default has been made on payment of these funds. What assurance have the people of Alberta that further funds entrusted to provincial government institutions in the way of loans will not be similarly defaulted?

Will Premier Aberhart, Mr. Manning, and the rest of the cabinet be prepared to deposit all, or a reasonable proportion, of their ample salaries in these credit institutions?

WHY FALSE TEETH WEARERS HAVE BAD BREATH

Millions Suffer Without Knowing!

You can't notice any odor from your plate or bridge—but others can! Dentists call this odor "denture breath" and it's serious. It comes from a mucin-scum that collects on plates and bridges. This scum is almost invisible—but it can make your breath so bad that friends shudder. It can breed decay-bacteria that infect your other teeth, actually hurt your health and spoil your pleasure.

Ordinary brushing can't get this scum off plate or bridge—can't protect you against "denture breath." But just try Polident! Polident not only cleans—it actually purifies plates and bridges without brushing. It gets every bit of scum, tarnish, stain and odor—dissolves it away and leaves your plate sweet and clean as new.

Your breath will be fresher, your mouth feel cleaner—and your plate last longer and look better. Polident is approved by dental authorities. Good Housekeeping and tens of thousands of delighted users. Long-lasting can costs only 40¢ at any drug store.

Official of World "Y" to Speak On Youth

Miss M. Marianne Mills, from the world's office of the Y.W.C.A. in Geneva, will be in Victoria this coming week. "Youth in a World Community" will be the subject of her address to a meeting of girls and leaders in First United Church, Wednesday evening, October 19, at 8 o'clock. The "Y" Girls' Council, which is sponsoring this meeting, cordially invites all interested girls and leaders in the city to meet and hear Miss Mills on this occasion.

Miss Mills was appointed to the Y.W.C.A. staff in 1926 and is in charge of girls' work. An Englishwoman, she was educated at University College, London, the London School of Economics and the Froebel Educational Institute. Previous to joining the national staff, Miss Mills had already had wide experience with girls and women in educational fields. She has traveled extensively in Europe, the Near East, India, the Far East, the United States and Canada.

The present visit of Miss Mills to Canada has included the World's Committee meeting and eastern regional conference held at Elgin House, Muskoka, early in September, and the western regional conference held in Spokane over Thanksgiving week-end.

The Craigflower W.I. will hold their monthly meeting Friday afternoon at 2 at Mrs. Clair's home. Instruction on salad-making will be the feature of the afternoon.

SOCIAL and PERSONAL

Mr. and Mrs. George Y. Simpson, Beach Drive, are visiting with friends in Vancouver for a week.

Miss Mary Duncan of Hamilton, Ontario, arrived in Victoria recently on a visit to Mr. and Mrs. R. D. Smith, Laurel Lane.

Miss Judith Pope and her brother, Mr. Mickey Pope, of View Royal, left on Wednesday for New York, where they will visit relatives for some time.

Miss Joan Austen-Leigh, elder daughter of Mr. and Mrs. L. Austen-Leigh, St. David Street, returned home today after spending the last two years in England.

Mrs. Arthur Nash, the Uplands, who is visiting in Vancouver with her brother-in-law and sister, Mr. and Mrs. Howard Harman, will return home tomorrow.

Mr. and Mrs. E. C. Lewis, Despard Avenue, and their little daughter, Susan, who have been visiting in Calgary for the last month, returned home yesterday afternoon.

Mrs. J. M. Deane of Penticton arrived this afternoon from the interior on a visit to her parents, Mr. and Mrs. Horace Hamlet, Amphion Street, and will be joined on Monday next by her husband, Constable Deane of the Provincial Police, who will spend a couple of weeks' holiday here.

Mrs. George White entertained at the tea hour on Tuesday afternoon at her home in Vancouver in compliment to Mrs. B. H. Schwenger of Victoria, who is spending a week in the mainland city en route for Nelson, where she will join her husband and make their home.

Mr. and Mrs. Robert Sproule of Winnipeg, Mr. and Mrs. Andrew Winter of Yellowknife, Sask., and Mr. and Mrs. J. E. Brown of Windthorst, Sask., who came to Victoria to celebrate the golden wedding anniversary of Mr. and Mrs. Albert Dash on Monday, left this afternoon for Vancouver en route for their homes on the prairie.

With 51 tables already reserved, the Women's Canadian Club hope to easily attain their objective of 70 tables for the annual bridge tea to be held at the Beach Hotel, Oak Bay, on Tuesday afternoon, October 18. The proceeds will be used to augment the club's bursary fund, and tea guests will be welcomed. Reservations for the affair may be made with Mrs. J. H. Fletcher, E 6879, or any member of the executive.

Mrs. George Porter, Brookleigh Road, Elk Lake, entertained the members of the Florence Nightingale Chapter, I.O.D.E., at the tea-hour yesterday, the occasion being the first sewing meeting of the chapter this season. Mrs. James Baker, in regent, assisted Mrs. Porter in receiving the guests. Mrs. Kyle Symons and Mrs. Frank Baylis poured the tea and coffee from a table covered with a lace cloth and centred with a lovely bowl of yellow chrysanthemums and mauve candles. Mrs. K. Mills, Mrs. L. A. Lucas and Mrs. Molson Smith assisted with the serving.

Mrs. W. H. Anderton entertained at her home, 615 Alpha Street, on Tuesday afternoon at a children's party in honor of her little son, William Ernest, the occasion being his first birthday. Each little guest received balloons, animal favors and Hal loween candles. Refreshments were served from a prettily appointed table centred with the birthday cake bearing one candle and flanked by pink tapers in silver sconces. The invited guests were: Mrs. H. Bossmom with Deanna and Harry Jr., Mrs. R. Nicholson and Ross Jr., Mrs. Price and Shirley, Mrs. N. Motterhead and Walter, Mrs. A. E. Vaughan with Arnold, Gary and Barbara, Mrs. M. Anderton and Mrs. E. Seedhouse.

Mr. Allan M. MacPherson, the former Winnifred Tait, photographed after her wedding at the home of her parents, Mr. and Mrs. Harry Tait, Union Avenue, on Monday afternoon.

Held Reception For Golden Wedding

Mr. and Mrs. Graham E. Simpson celebrated the golden anniversary of their wedding day on Thanksgiving Day, and were at home to many of their old friends on Monday afternoon and evening at their home, 906 Market Street. They were married in Winnipeg on October 10, 1888, and have been residents of Victoria for 31 years.

A wealth of beautiful flowers, the gift of friends, decorated the house, and among the many other gifts received was a handsome easy chair, from Mr. Simpson's associates on the office staff of the B.A. Paint Co., and a life membership pin to Mrs. Simpson from the Women's Missionary Society of the First United Church, of which she is a valued member.

Mr. and Mrs. Simpson's three daughters and two sons were present at the family reunion, together with Mrs. Simpson's only brother, Mr. C. F. Spence of Winnipeg. Assisting the venerable couple in receiving were their daughters, Mrs. James Cameron and the Misses May and Kathleen Simpson, and their daughters-in-law, Mrs. Kenneth Simpson and Mrs. John Simpson.

Refreshments were served from a table attractively arranged with a hand-made lace cloth and centred with a silver bowl of golden chrysanthemums on a mirror base, flanked with smaller silver vases with the same flowers, and tall golden tapers in silver candlesticks. Mrs. Simpson's niece, Mrs. G. P. Macmillan of Duncan, and Mr. Simpson's cousin, Mrs. G. Bjornsfelt, presided at the tea table in the afternoon, and Mrs. Robert Armstrong and Miss Nina Nutrie in the evening.

The two-tier wedding cake was placed on a buffet with tall golden tapers in silver holders, and from the chandelier hung two golden wedding bells. Assisting in serving were the Misses Helen and Dorothy Cruickshank and Miss Margaret Armstrong.

W.A. Britannic Branch No. 9, Canadian Legion, B.E.S.L. held their regular monthly meeting Tuesday evening in the board room, View Street, the president, Mrs. A. E. Hall, in the chair. Convention reports were read by Mrs. H. Morris. Two new members were initiated, Mrs. O. J. Stevens and Mrs. G. A. Hill. Plans were made for the annual bazaar on November 17, and a shower for same to be held November 3. A social evening will be held this evening at 8 in the board room, court whist to be played and refreshments served.

Toronto Students to Study Marriage

TORONTO (CP)—If — and when—better husbands are made, the University of Toronto student Christian movement wants to sponsor them. And they're starting right now to do something about it.

The group decided today to hold a weekly extra-curricular course on marriage for male students at varsity.

When Rev. J. D. Parks of High Park United Church concluded a preliminary lecture today on "Youth and Marriage," a forest of hands stretched high into the air to indicate willingness of 200 movement members crowding the room to follow a course on marriage, described by Dr. Parks as an "art."

"Baby is fine"

AND one of the reasons Baby is making such fine progress is his food — an irradiated Carnation Milk formula—with the full food value of whole cows' milk, easy digestibility and added "sunshine" vitamin D.

In producing Carnation Milk, nothing is taken out of whole milk, except part of the natural water content — nothing is added except "sunshine" vitamin D, by irradiation. Because Carnation is homogenized and sterilized, it is easier to digest, always the same, always safe. When bottle days are over, there is no question of "weaning" baby—he goes on getting his Carnation Milk in his cup. Carnation is also extra good for cooking and creaming—smooth, double rich, and it keeps until opened, without refrigeration.

Write for these Carnation Books. "The Contented Baby" is free. The Carnation Cook Book, containing a host of ideas and recipes, with full-page, full-colour illustrations is 15¢ (postpaid). Carnation Company Limited, Toronto, Ontario.

WEDDINGS

BLACKSTOCK—LINDSAY

St. Aidan's Church, Mount Tolmie, was decorated with autumn flowers for the wedding last night of Cecelia (Daisy), second daughter of Mr. Hugh Lindsay, Mount Tolmie, and of the late Mrs. Lindsay, and Mr. William Campbell Blackstock, second son of Mr. and Mrs. J. Blackstock, 2332 Howard Street, Rev. T. G. Griffiths officiating.

Given in marriage by her father, the bride wore a gown of ivory lace over satin, with Elizabethan collar and long, tight-fitting sleeves, the skirt extending to a long train. Her embroidered veil of Brussels net was arranged beneath a halo of orange blossoms and net, and she carried a shower bouquet of roses, carnations and white heather.

The choir sang "O Perfect Love," accompanied by the organist, Mr. P. Boorman, during the service, and while the register was being signed Miss Barbara Dawson sang "Because."

Mrs. C. Belfrage (James Island) was her sister's matron of honor in a frock of pink net over taffeta, trimmed with velvet polka dots in blending colors. Her hat of taffeta and silk net was trimmed with velvet streamers which reached to the hem of her skirt. Miss Alice Tull, the bridesmaid, wore a redingote frock of blue net over satin and a blue net and velvet toque, and they both carried shower bouquets of roses in shades of pink. Mr. R. Lindsay, the bride's brother, was best man and the ushers were Mr. C. Belfrage and Mr. Dick Williams.

After the service, Mr. Lindsay entertained about 200 guests in the church hall, which was decorated with flowers and streamers of pale pink. Assisting in receiving the guests were the bridegroom's mother, in a brown satin dress with lace sleeves, and a brown plume-trimmed hat, and Mrs. A. J. Trounson, in a frock of teal blue georgette over figured silk, and a matching velvet hat with a feather mount. Both wore corsage bouquets of roses.

The young couple stood beneath an arch of gladioli and autumn foliage. Vases of dahlias and tall pink tapers adorned the supper tables, and the bride's cake stood under a large white illuminated bell; the handwork of Mrs. George Hunter, an old family friend.

The couple left at midnight for a honeymoon trip to Vancouver, Seattle and Portland, the bride going away in a wine pebble crepe frock, matching accessories and a muskrat coat. On their return, Mr. and Mrs. Blackstock will make their home on Dean Heights.

SMITH—BICKFORD

This afternoon at 2 at St. Mary's Church, Oak Bay, Ven. Archdeacon A. E. de L. Nunn united in marriage Audrey Edith, younger daughter of Mr. and Mrs. C. W. Bickford of 44 Menzies Street, and Mr. Charles Philip Smith, son of Mr. S. Smith of Ladysmith Street, and the late Mrs. Smith, in the presence of relatives and intimate friends of the two families.

The bride, given in marriage by her father, wore a gown of white lace over white taffeta, simply fashioned with floor-length skirt and a bolero coat with short sleeves. She wore long white net gloves, and her long filmy veil of soft silk net was arranged on her head with a circlet of orange blossoms, with clusters of the blossoms over each ear. Her shower bouquet was of pink and white carnations and sweet heart rosebuds.

Miss Helen Pollock, the only bridesmaid, wore a frock of white taffeta in a floral design of pink and white roses, and her head-dress was of blue net. She carried an arm bouquet of pink carnations. Mr. Jack Bell was groomsmen, and Mr. F. T. C. Wickett, organist, rendered the wedding music.

At the conclusion of the service, a reception was held at the home of the bride's parents, where the guests were welcomed by Mrs. Bickford, wearing a black dress with touches of white, and a black hat with floral crown. A profusion of autumn flowers adorned the home and the table was centred with a three-tier wedding cake, surrounded by autumn flowers.

Mr. and Mrs. Smith left on the 4.30 boat for Seattle, the bride traveling in a rust-colored dress with accessories to match. On their return they will reside at 506 Burnside Road.

ALLAN—DOBIE

VANCOUVER—Of much interest to their many friends in Victoria was the wedding of Charlotte Jean, younger daughter of Mr. and Mrs. Mathew Henry Dobie of Vancouver to Mr. Edmund Allan, youngest son of Mr. George W. Allan, K.C., and Mrs. Allan of Winnipeg. The ceremony was performed by Rev. James Craig in St. Mary's Anglican Church at 8 Tuesday evening.

The bride wore a champagne colored model frock of light weight wool, with short raglan sleeves and tailored rust gros-grain bows. Her stovetop hat was of brown velvet, with rust feathers, and on her shoulder she wore a corsage of brown orchids. Mrs. Harry Graham Abbott, who was her sister's only attend-

ant, wore a tailored claret woolen frock with stitched pleated skirt and a stitched pleated hat, trimmed with curled ostrich plumes, and her corsage was of blending mauve chrysanthemums and blue cornflowers.

Mr. Dobie gave his daughter in marriage, and Mr. William Allan, formerly of Winnipeg, attended his brother as best man.

Following the ceremony, a small reception was held at the home of Mrs. Abbott.

For her short motor trip on Vancouver Island the bride donned over her costume a coat of skunk. On Saturday Mr. and Mrs. Allan will leave by plane for Winnipeg, where they will reside at 742 Dorchester Avenue.

ASCAH—LOWNDS

Mr. and Mrs. Ernest Lownds of Selkirk Avenue, Victoria, have received word of the marriage of their daughter, Olive, to Skipper-Lieutenant Albert Ascah of the R.C.M.P., marine section, which was solemnized at 3 o'clock at St. Paul's Church, Halifax, Nova Scotia, on October 11.

Social and Personal

Mrs. F. C. Middleton of Winnipeg is visiting Mr. and Mrs. A. H. F. Stelek, "Greentrees," Royal Oak.

Dr. W. Allan Fraser has left for New York to attend a meeting of the American College of Surgeons.

Mr. and Mrs. Frank Ward of Douglas Lake, B.C., announce the engagement of their only daughter, Betty, to Mr. R. C. Farrow, only son of Mr. and Mrs. C. H. Farrow of Victoria Avenue, Oak Bay, the marriage to take place in the early spring.

In honor of Miss Helen Marsh, whose marriage to Mr. Aubrey Hull will take place Saturday, Mrs. R. Kenneth Simpson and Miss Muriel Laurence entertained on Tuesday evening at the home of the former, Pendergast Street, which was attractively arranged for the occasion with bronze and yellow chrysanthemums. The bride-elect was presented with a corsage of peach rosebuds and sweetpeas, and a fling cabinet and favorite recipes of the guests.

Contests and games were played during the evening, the winners being Mrs. R. W. Marsh, Mrs. R. B. Pendergast, Miss Helen and Miss E. Sidwell. Later in the evening refreshments were served by the hostesses, assisted by Miss Mae Simpson. The invited guests included: Mrs. R. W. Marsh, Mrs. R. B. Pendergast, Mrs. H. Lethaby, Mrs. W. Mobey, Mrs. R. Weaver and the Misses Louise Marsh, Irene Hull, Mae Simpson, Winnie Robb, Bessie Milne, Evelyn Sidwell, Elsie Robinson, Lauretta McCall, Charlotte Crawford, Olive Heritage and Kathleen Barker.

Mrs. W. Steen and Miss Ila Knowlton were joint hostesses at the home of Mrs. A. J. Wakeman, Dallas Road, recently with a miscellaneous shower in honor of Mrs. Steen's sister, Miss Doreen Webb, who is to be married to Mr. James Logie this week. Upon her arrival, the bride-to-be received a corsage bouquet of pink carnations and maiden fern. Autumn flowers made the reception rooms attractive. The many pretty gifts were hidden in a "wishing well," decorated in mauve and yellow crepe paper. Miss B. Moser assisted Miss Webb in bringing the parcels to the top of the well. Musical selections by Mrs. W. C. Greaves and amusing games were enjoyed. Mauve chrysanthemums in a glass vase centred the supper table, while at the ends were small vases of yellow and mauve chrysanthemums. The hostesses were assisted in serving by Mrs. A. J. Wakeman and Miss B. Moser. The guests included Mrs. J. Logie, Mrs. A. J. Wakeman, Mrs. W. H. Woodford, Mrs. W. C. Greaves, Mrs. D. Knowlton,

"She'll Always Be YOUNG!"

Medical testimony (from the Pharmacological Institute of the University of Berne):—"The effects after taking Phyllosan are: a sensation of general well-being, disappearance of depression and of the feeling of insurmountable fatigue... The subject, so to speak, experiences a new lease on life... Phyllosan activates all the physical and vital forces."

WHEN men wish to express their admiration for the charm of a woman past forty, they can say nothing so apt as "She'll always be young!" For, truly, youthful vitality is the essence of all feminine charm. Have you ever seen a charming woman without it?

Ready energy, buoyant good spirits, the warmth that springs from overbrimming, joyous vitality... these, taken together, are feminine charm. And if vitality is retained, then charm is retained, even with the passing of years. For the charm that flows from vitality is actually enriched by the understanding and poise that comes with maturity.

The secret of charm in women past 35 or 40 lies in knowing how to maintain vitality.

And it can be done. The experience of thousands of women shows conclusively that, through the simple use of PHYLLOSAN, the unnecessary devaluation of premature middle-age may be avoided.

PHYLLOSAN TABLETS help enrich your blood... strengthen your nerves... build up your reserves of vital power. Recommended by many physicians, especially to those past 40.

LOOK, FRANCES... DADDY'LL GIVE YOU A NICKEL IF YOU'LL EAT YOUR CARROTS AND DRINK YOUR MILK! COME ON... JUST A TASTE!

NO! I DON'T LIKE THEM!

OH DEAR, I COULD JUST GIVE YOU A NICKEL IF YOU'LL EAT YOUR CARROTS AND DRINK YOUR MILK! COME ON... JUST A TASTE!

NOW, NOW... WHY DON'T YOU GO DOWN AND SEE DR. JIM TOMORROW? HE'LL SURELY KNOW OF SOMETHING.

AND YOU SHOULD HAVE SEEN WHAT SHE ATE AT LUNCH! I DON'T KNOW WHERE SHE PUTS IT ALL!

...AN SOME MORE OVALTINE, TOO!

MORE! SAY WHAT IS THIS, YOUNG LADY... AN EATING MARATHON? NOTHING FUSY ABOUT YOUR APPETITE THESE DAYS!

YES... AND THE WAY IT HELPS SO MANY 'POOR EATERS' EAT IS REALLY SURPRISING, AND I'VE SEEN IT DO SOME GREAT THINGS FOR YOUNGSTERS WHO WERE UNDERWEIGHT.

GEE, MUMMY, THIS OVALTINE TASTES GOOD! YOU WOULDN'T KNOW THERE WAS MILK IN IT AT ALL!

STILL LATER

COME ON, FRANCES... SHOW UNCLE HARRY HOW MUCH YOU'VE GAINED.

JUST LOOK AT THOSE ROSEY CHEEKS, NO WONDER JACK IS SO PROUD!

YES... AND NO WONDER WE'RE BOTH SO GRATEFUL TO OVALTINE!

By PETE SALLAWAY

DOWN EAST IN Montreal this week two Victoria boys are making another effort to realize an ambition they have carried in their breasts for a number of months. The lads are Torchy and Doug Peden and their ambition is to win a six-day bike race from those two sensational German aces Killian and Vopel. In New York a few weeks ago it looked like the Pedens were going to pull it off but the Germans came through with some brilliant riding in the last hour of sprinting to again cop the honors.

The Pedens are quite sure they can beat the Germans and maybe this will be the time. Those Germans are good, and plenty good, and the two Victoria giants will have to literally ride their hearts out to beat them across the finishing line on Saturday night. Here's hoping.

We'll gamble the majority of local sports fans do not realize that six-day bike racing has been going on for 48 years. The first official bike race indoors was held in New York back in 1891. That was in the so-called "Gay 90s" and the pro peddlers of those days rode the famed and funny old-fashioned high wheels.

Each year the sport has maintained its public interest with the cities of New York, Chicago, Pittsburgh, Montreal and Toronto being the real big centres. It is an event looked forward to by its supporters who go to see at least one night of it, while there are those who sit right through it for the entire six days and nights.

The long six-day grind was not always held with two men teams. From 1891 to 1899 the riders were compelled to go it alone for 142 hours, resting whenever nature compelled them, or when out due to some mishap. In 1898, after Charlie Miller for the second successive year had ridden the pick of the American and European riders into the ground, the conditions were changed so that no competitor in any race could ride more than 12 hours each day.

The promoters then conceived the idea of forming teams of two men, each man riding 12 hours each day, resting whenever it suited him. This style of racing has proven more interesting and exciting than the old continuous grind. During the year 1891 the low safety bicycles were first placed on the market and used in a six-day race. In 1917 the race was run a total of 144 hours for the first time and a new system of point scoring was adopted. For the first time a nine-lap instead of a ten-lap track was used in 1919 and proved a successful innovation.

Big thrill of a six-day bike race to the spectators is a "jam." The speed of the riders then rises to 50 miles an hour and the crowd is usually on its feet in short order. Technically, a jam is the confusion that results from the attempt of one or more teams to gain a lap on the entire field. During a jam there is little rest for any of the riders. A jam is apt to occur at any time and many times have happened with only a handful of spectators in the building at odd hours of the day or night.

With most of the contestants in the race fairly evenly balanced and matched in ability, it is nearly impossible for one rider to go away from another rider if the other is close behind the former, unless the rider behind is in an exhausted condition. Therefore, for a rider to break away from the field to gain a lap he must wait for an opening or an angle to catch his opponents off guard.

The ultimate winner of a race is, of course, the team that has stolen the most number of laps and covered the greatest distance during the course of the week. In case of a tie the race is decided on the points scored in sprints throughout the week.

Rally in Second Half To Defeat Northwestern Creamery 39 to 25

Rallying in the second half, after being down 14 to 12 at half time, Dominoes opened the city senior men's basketball schedule last night at the High School gym with a 39 to 25 victory over the Northwestern Creamery. It was a rough, tough game of basketball with the Northwest-erns fighting from the first toot of the whistle until the finish. A good crowd enjoyed the exhibition.

Using their experience, height and weight to good advantage in the second half, the Dominoes won a ball game. The Northwest-erns, up from the intermediate A division, made a fight of it all the way and should improve plenty before the end of the schedule.

It was the old hands of the Dominoes who carried the club through to victory. Art Chapman and Hank Rowe, top ranking scorers last season, again showed the way last night, with the former getting 14 points and Rowe 11 before he was banished on personals. Roy Taylor was next high with five. The Dominoes also lost Bert Davies on personals.

The Dominoes trotted out three new men in Frank Mylrea, Henry Mottishaw and Russell Hicks, but they showed little in the initial skirmish, the first named being the only one of the trio to crash the scoring column with two points.

Manager Carl Coates showed the way to his players in the Northwesters' scoring column with six points. He was closely followed by Doug Bray and Ralph Shepherd, each with five.

CLOSE CHECKING
First half of play was featured by stiff checking, with the Northwesters clinging to their men like leeches. Dominoes moved into a 3 to 0 lead and with seven minutes gone were out in front 8 to 2. With the score 11 to 4 against them, the Northwesters put on a scoring spurge and Bray put them on top 12 to 11 with four minutes to play. Shepherd scored two free throws and Rowe one to make it 14 to 12 at the half.

One minute and a half after play resumed Art Chapman tied the score at 14 all and shortly after sank a free throw to put the Dominoes ahead, where they remained for the rest of the game. Northwesters tired badly in the latter part of the half and when Bray and Shepherd went off on personals their club was weakened.

In the preliminary games the Eight Aces, last year's intermediate B boys' champions, won their first game in the intermediate A division from the M.C.A. 33 to 23, and the Units defeated the Adverts 26 to 15 in an exhibition.

Three games will be played to-night at the High School gym as follows:
7.15—Intermediate A boys, Ramblers vs. Bees.
8.15—Senior C men, Spencers vs. C.C.F.

9.15—Senior B men, Chinese Students vs. Wimpy's Crescents. Teams and scorers follow:
Dominoes—Davies 3, Jackson 2, Mylrea 2, Taylor 5, Mottishaw, A. Chapman 14, Rowe 11, C. Chapman 2, and Hicks.

Northwestern Creamery—Bray 5, Mylrea 2, Shepherd 5, Lovell 3, Whyte 4, Purdy, Hornsby and Coates 6.

Eight Aces—Aceman 12, W. Price, R. Price 6, Smith, Clegg 4, Whitfield 6, and Webster 5.
Y.M.C.A.—Partinson 2, Palin 2, Martin 6, Lindgren 2, M. Corkell 8, Henry, Sparks 1, Dickson and Masters 2.

Units—C. Reid 2, E. Snyder 4, J. Metcalf 2, E. Peden 6, E. Mason 2, D. Crowe 10, F. Robertson and P. Goodward.

Adverts—D. Fuller 1, M. Harnett 3, M. McDonald 4, J. McDonald 2, F. Kennedy 1, D. Woodburn, J. Pearce, G. Anderin, A. Taylor 3, and D. Caley 1.

Doug Young Out For Three Weeks
DETROIT—Detroit Red Wings of the National Hockey League yesterday lost the services of Capt. Doug Young, veteran defenceman, less than a minute after the start of the first practice game of the season on Olympia Stadium ice.

Young suffered a sprained left ankle and several torn ligaments when he collided with Eddie Bush, recruit defenceman, in his first dash down the ice. He will be idle at least three weeks.

GOLF WINNERS
In the mixed foursomes held at the Uplands Golf Club on Thanksgiving Day General and Mrs. Tuxford were the winners with a net score of 70.

Brentwood College Sets Sports Card

A fine winter sports program has been arranged for the boys attending Brentwood College. The new games captains are: Rugby, D. Holmes; cricket, A. Johnston; rowing, G. Hotham; tennis, A. Gillespie; badminton, D. Wilby; shooting, D. Holmes, and sailing, P. Hinton.

Prospects for the rugby season are bright, with a number of last year's players back and several promising colts to fill the remaining berths. Matches are being arranged with the following: Shawinigan Lake School, University School, St. George's School (Vancouver) for the first fifteen, second fifteen and colts. Other first fifteen fixtures are being arranged with the Navy, Duncan High School, the Old Boys and one of the Victoria intermediate teams.

The school has taken up rifle-shooting keenly under Major Fred Richardson, O.B.E., the veteran Bisley shot, and Captain E. D. W. Leven.

25 Ball Experts Picked Winners

NEW YORK—The limbo in which the "experts" crawl at the beginning of every baseball season turned out to be a pretty stout piece of wood for 25 of the diamond writers during the 1938 campaign.

That number, of the 60 who participated in the annual Associated Press pre-season pennant poll last April, picked New York Yankees and Chicago Cubs to win their respective league championships.

RUGBY PRACTICE

Final practice for 16th Canadian Scottish intermediate rugby team will be held tonight at MacDonald Park at 7. The following players are asked to turn out: P. Martin, D. Addy, R. Ngai, R. Edmonds, A. Fraser, D. Garrison.

Hunts For Tilden

Vincent Richards Sails for England in Attempt to Bring Former Tennis Star Back to U.S.; Is Rumored Broke

NEW YORK (AP)—Sailing from New York this bright Columbus Day was a modern Stanley in search of a Livingstone.

Vincent Richards, lately schooled in the art of cajolery and psychology, left for England, where he will try to bring back the old hero of the tennis world, William (Big Bill) Tilden, who has been away three years. Tilden not only must find Big Bill but he must convince him to return home.

The cause of Big Bill's refusal to come home isn't known exactly to Richards, his old pal of the tennis pets. The prevailing opinion is Big Bill is hard pressed financially. Richards fears such is the case, so he has an idea. Richards' plan, if he can sell it

RUN THAT WON FINAL GAME—The New York Yankees made it four straight in the world baseball series by trimming the Chicago Cubs 8 to 3, and won their third consecutive world title. The four runs they made in the eighth inning simply added insult to injury, for they could have quit after Tommy Henrich, Yank outfielder, poled a home run in the sixth. In the photo above Henrich (No. 17) is pictured receiving a congratulatory handshake from teammate Joe Di Maggio as he crosses the plate.

Baer Agrees to Battle Winner

SAN FRANCISCO—Mike Jacobs, New York boxing promoter, announced last night Max Baer had agreed to fight the winner of the Louis Nova-Tommy Farr bout, scheduled for New York December 16.

Jacobs said the winner of the Baer and either Nova or Farr would be matched with Joe Louis for the heavyweight championship.

Baer sailed yesterday for Honolulu to fight Hank Hankinson of Lancaster, O.

Ruth Out of Game Again

May Be Lost to Baseball Forever This Time; Durocher Youngest Pilot

NEW YORK—"Lippy" Leo Durocher, the out-talkingest short-stop in either major baseball league, signed yesterday to manage Brooklyn Dodgers next season, succeeding the old pitcher, Burleigh Grimes.

Durocher's father died Monday midnight in West Springfield, Mass., and Leo hurried here only to announce his plans before returning for the funeral today.

"If it were not for that, this would be about the happiest moment in my life," he told newsmen. "Dad had always said he would live to see me a big league manager, but he didn't."

There was another unhappy feature. Babe Ruth goes out of baseball, this time probably for good. In naming his two coaches, Charlie Dressen and Bill Killifer, Durocher said the Bambino had not "been available" for coaching job.

MACPAIL SPEAKS

"I can back that up," said general manager Larry Macpail. "The Babe was considered, along with Jimmy Wilson, but he has big league managerial aspirations. I can tell you also that he has had several chances to manage minor league teams."

The Babe, after coming out of retirement the past midseason to coach at first base for the seventh-place Dodgers, attracted bumper crowds. He and Durocher had a spat one day in the clubhouse, probably costing Ruth whatever chance he may have had to manage the team next year.

Dressen, one of the new coaches, managed Cincinnati Reds last season. He piloted Nashville to second place in the southern Association this year. Killifer, great catcher of other days, just finished driving his Sacramento team to victory in the Pacific Coast League playoff.

At 33, Durocher becomes the second youngest manager in the big show. Joe Cronin of the Boston Red Sox was 32 yesterday.

INTERMEDIATE GAMES BILLED

Intermediate football teams will resume their bids for league honors Saturday when three games are listed.

Program follows:
Longshoremen vs. Navy, Bullen Park; Holness referee.
Caveys vs. Camerons, Central Park; Borde referee.
Young Liberals vs. Cooperage, lower Beacon Hill; Saunders referee.

All games start at 2.30.

Table Tennis

Easy victories were registered by Blue Streaks and Sylvester U Drive teams, while Murphy Electrons encountered plenty of stiff competition and just managed to nose through on top, in second division table tennis tilts last night in the Crystal Garden.

The Streaks took the measure of Victoria Baggage, 12 to 4, and the Drive Yourself squad recorded a similar victory over Royal Arcanums. The best battle of the evening saw Electrons emerge victors, 9 to 7, over Melrose.

Individual scores follow:
Blue Streaks—B. Mackay 4, Mrs. Hocking 3, M. Mackay 2, Mrs. Greenwood 3; Victoria Baggage—Hope 0, Ross 3, Stewart 0. Skills 1.

Sylvester U Drive—Corcoran 4, Erickson 4, Kay 3, Ricketts 1; Royal Arcanum—Hepple 0, Crombie 1, Noon 2, O'Connell 1.
Murphy Electrons—W. Robinson 2, D. Robinson 3, Jordan 1, Peebles 3; Melrose—Hawkes 1, Kershaw 1, Lashmar 1, McGregor 4.

Hawks to Train

CHICAGO—The world champion Chicago Black Hawks, who battled from almost nowhere to win the Stanley Cup last season, left today for Champaign, Ill., where they will train for the 1938-39 National Hockey League season.

Player-coach Paul Thompson led the squad of 21 and will have charge of conditioning for two weeks. Manager Bill Stewart is recuperating from an appendectomy in Dorchester, Mass.

The Elks football team will meet at the organization's headquarters, Douglas Street, tomorrow evening, at 8. Arrangements will be made for a match against the Elks Club of Duncan, on Sunday afternoon. All players are asked to attend this meeting.

Turn Back Adanacs Third Time

Athletics Again Put On Third-period Rally To Win 10 to 7

TORONTO (CP)—St. Catharines Athletics, just about the best last-period team in lacrosse history, agreed today that their Canadian senior championship was worth every minute of an arduous two-year campaign.

The Athletics' drive to the Mann Cup started last year when they entered the Ontario Lacrosse Association senior series with a partially rebuilt team. It continued through last winter when the A's played in a New York State League for "experience," and it gained impetus this spring with the start of another O.L.A. season as the now-veteran unit added a couple of outside stars.

The quest ended last night in Maple Leaf Gardens when St. Catharines came from behind to score a third straight victory over New Westminster Adanacs, 10 to 7, in the Dominion finals.

The Athletics swept the series with the British Columbia club by rallying late in each of the three games, just as Art Brown's game band had done in important contests all year.

Trailing 6 to 4 at halftime and 6 to 5 at the end of the third quarter, the Athletics won on a five-goal burst in the last period. The Athletics were a goal behind at halftime in the first game, but won 18 to 11. The score was tied halfway through the second match, but the A's took it 22 to 11.

BITTER DEFEAT

To the young Adanacs—a fast, brilliant team that had spilled last year's Dominion champions, New Westminster Salmonbellies—the defeat was bitter. In each game the coast team carried a full share of the play most of the way, then had to give in to superior all-around strength and straight-ahead lacrosse methods.

New Westminster brought a sparkling spinster play and a wealth of courage to pit against the heavier, more durable Athletics. Last night, when both teams showed the wear and tear of the first two engagements, the Adanacs seemed for most of the way to be staging a comeback.

Then, with big Ben Barnard leading the way, St. Catharines' floor-length plays swept all before them in the late minutes.

SUMMARY

First quarter—1, New Westminster, Lee, 3.31; 2, New Westminster, Lorne Steel (Lloyd Steele), 4.50; 3, St. Catharines, Fitzgerald (Wilson), 5.17; 4, New Westminster, Kennedy (Bradbury), 9.03; 5, St. Catharines, Morton, 9.46. Penalties: Morton, Haddon, J. Matheson, Green, Barnard, Cheevers, Kelly.

Will Not Fill Board Vacancy

By special resolution the City School Board decided last night it would take no action to fill the vacancy caused by the death of the late trustee, John Wallace.

The resolution, moved by Trustees W. P. Marchant and F. G. Mulliner, was passed after the former reminded the board the City Council had made no move to call a by-election.

It is assumed the filling of the vacancy will await the regular December election.

The donation of an 1887 British Columbia directory to the City Hall library was acknowledged with thanks by M. F. Hunter, city clerk today. The volume, published by E. Mallandaine and R. T. Williams, was the gift of Mrs. Alexander Muir, "Brendhill," Mills Road, Patricia Bay. It will be placed with other old-time volumes collected for reference.

FREED ON THREE NARCOTIC COUNTS

Mah Fong Sun Acquitted On Two Charges and Third Withdrawn

Acquitted yesterday on two charges under the Narcotic Drugs Act, Mah Fong Sun was released from custody today upon withdrawal of a third count under the same act.

An assize court jury yesterday found the Chinese not guilty on counts of selling and possession of opium, but, at the request of H. W. Davey and M. B. Jackson, K.C., crown prosecutors, he was held for hearing on a third charge of distributing the drug illegally.

Today Mr. Jackson applied for a stay of proceedings on the third, and the accused was released.

In his defence yesterday Mah Fong Sun took the stand to tell the court he understood he had been engaged by Carl Carlson as a "stool pigeon" for the R.C.M.P. in an alleged effort to trap a local white doctor on a narcotics violation.

Carlson, an informer, could not be located for the case.

In rebuttal Corpl. G. J. Haywood told the court Carlson had been given no authority to employ Mah Fong Sun, and that the latter was not an informer for the R.C.M.P.

CITY SCHOOL BOARD BRIEFS

Payment of general and building accounts totalling \$6,629 was authorized by the board.

The trustees received and filed a letter from the Esquimalt School Board, in which the board accepted an invitation to attend a meeting of municipal representatives to discuss the recent government school survey.

An offer from The Gideons to place a copy of the Bible in all school libraries was gratefully accepted.

The board acknowledged receipt of a request from the Allied Printing Trades Council, to have board printing done by union labor with the answer that the board favored union work as far as possible, and believed in payment of a fair price for its work.

Attendance at city schools last month was 99 lower than in September last year, it was reported to the board last night. This September's total was 4,858 as against 4,957 last year. There was a 51 increase over the June registration.

A total of 444 operations was performed on 73 pupils at the schools' dental clinic during September, it was reported to the board.

The University Extension Association was granted use of the Central Junior High School auditorium for lectures on alternate Monday evenings, commencing October 17.

Use of the northeast football field at the High School for the winter season, requested by the Merchants' Football League, was referred to the school inspector and the high school principal.

PROPOSE FEES AT HIGH SCHOOL

Imposition of fees on certain students attending High School will be considered by a special committee of the City School Board.

The pupils to be affected will be those who are enrolled at the High School after completing grade 12, or those who are 18 years of age before completing grade 12.

A resolution governing the fee will be drafted by Trustees W. P. Marchant and R. H. Green and C. H. Deane, municipal inspector, members of the committee named last night.

The suggested fee was \$60 a school year, payable in advance. The resolution will also make provision for exceptions when financial circumstances do not permit of payment, or when there are circumstances for which the School Act provides exceptions.

This regulation was formerly incorporated in the by-laws of the school board, but was left out when the by-laws were revised this year.

TEACHERS REQUEST SALARY RULINGS

A letter from the Victoria High School teachers requesting notification of the school board's attitude towards the teachers' application for salary arbitration brought the reply from the trustees last night that they could not understand the teachers' letter.

The trustees replied the School Act made plain the course open to the teachers for arbitration.

Under the signature of C. L. Campbell, chairman of their salary committee, the teachers said the points they wished arbitrated were salary maximums under the new scale, the length of time required to reach maximums and the position of certain teachers on the schedule.

In reply to these, the board said the first two matters had been thoroughly discussed before the schedule was settled, while the third point was one which should be taken up with the municipal inspector for presentation to the board.

The board authorized a reply embodying these facts and pointing out further that the course for arbitration was clearly laid out in the School Act.

THRILLING TALES OF POLICE WORK

Gripping stories of some of the most intriguing of British Columbia's criminal investigations are told in thrilling style in the new B.C. police magazine, The Shoulder Strap, which is now being circulated in Victoria and on Vancouver Island.

The stories deal with the activities of many of the leading personalities in the force and the parts which they played in these inquiries.

Bernard L. Fife has been named local circulation representative for the magazine, which is published by A. A. Brookhouse, Vancouver publisher.

TRUSTEES WARNED TO SPEND SLOWLY

Finance Chairman Urges City School Board to Watch Expenses Carefully

Unless some branches of revenue show increases over the amounts contained in this year's estimates the City School Board will have to "go slowly" to see that its budget is not over-expended, Trustee W. P. Marchant, finance chairman, warned fellow trustees last night.

In a review of expenditures to date, Mr. Marchant said there had been a gross expenditure of \$342,354 out of a total budget of \$501,412.

Appropriations for supplies would have to be carefully watched, he said, while the \$27,693 allowance for maintenance of the school plant was nearing the point where it had been nearly exhausted.

Other appropriations were either nearly gone or slightly overspent, he said. It was expected the original allowances for teachers' salaries and the salary restorations would be slightly over the estimate.

He hopefully anticipated increases in revenue from college and night school fees.

Ear Critical of Court Eloquence

The wealth of oratory counsel is wont to shower upon juries finds a critical ear in Mr. Justice D. A. McDonald, according to a remark made yesterday by the judge presiding at the Assize Court trial of Mah Fong Sun, Chinese.

In cross-examination H. W. Davey, Crown prosecutor, questioned the education of the Chinaman. It was disclosed he had spent some time in a Vancouver school, but did not feel competent to appear in court without an interpreter.

The accused was asked why he needed the official.

"He cannot understand choice language," Interpreter J. Y. Leong told the court.

"Choice language! We're not accustomed to much choice language here," Mr. Justice McDonald remarked.

Money that Stays at Home...and Builds!

Last year the Oil Companies of British Columbia paid these taxes:

Sales Tax	\$1,083,880
Provincial, Corporate, Municipal and School Taxes	179,120
	*\$1,263,000

*This figure does not include the 7c Provincial Government Road Tax on gasoline or the 1/2c per gallon tax on fuel oil.

And last year the Oil Companies spent in British Columbia:

Direct Payrolls	\$2,487,762
Supplies Purchased	2,244,000
Freight Within the Province	2,128,934
	\$6,860,696

Or a combined total of \$8,123,696.

Figures ordinarily make dull reading. But we ask you to consider for a moment what this eight million dollars means.

It is half the annual output of our fisheries industry in British Columbia. It exceeds in value our annual production of copper; it is three millions more than our yield of silver. It is nearly double the value of our Okanagan apple crop.

A large share of this eight million dollars goes to support the machinery of government, but more than \$6,800,000, you will observe, flows into the commercial life stream of the province, creating employment, paying good wages, buying supplies of all kinds, providing work for railway and transport men—in fact, stimulating business everywhere and making better times.

The petroleum industry is vital—creative—in tune with the times. It must have a fair reward for its accomplishments if it is not to be hampered or restricted in its service.

Hungary-Czech Talks Broken Off

Budapest Moves for
Four-power Conference
On Cession

KOMARDOM, Hungary (On the Czechoslovak border) (AP)—The Hungarian delegation to the Komardom conference declared tonight that negotiations on Hungary's demands for cession of Czechoslovak territory had been broken off.

Koloman von Kanya, Hungary's Foreign Minister, read a declaration to a final session of the conference stating the Budapest government would hand over its claims on Czechoslovakia to a four-power conference for decision.

This came about one hour after expiration of a Hungarian ultimatum calling for Czechoslovak acceptance of Hungary's territorial demands—said to cover some 8,000 square miles—by 6 p.m. (9 a.m. P.S.T.).

The Hungarian spokesmen said his government saw no way to bridge the existing differences between the two nations by continuing the conference.

Czechoslovakia rushed troop reinforcements to the international Danube River bridge connecting Hungarian and Czechoslovak parts of Komardom tonight as thousands of persons on the Czechoslovak side demanded immediate cession to Hungary in a mass demonstration.

Artillery was moved into position at the entrance of the bridge. Barbed wire barricades were erected, and troops with fixed bayonets barred the passage of travelers.

BUDAPEST OUTBURSTS

BUDAPEST (AP)—An angry, unruly crowd of thousands demonstrated against Czechoslovakia in Budapest's Liberty Square tonight after receipt of news the Komardom conference on Hungary's territorial demands had broken down.

The crowd raised cheers for Admiral Nicholas Horthy, Hungary's Regent, and also for Major Ferenc Szalasi, Hungarian Nazi leader now serving a three-year prison term for plotting overthrow of the present regime.

H. S. Berriman Is Acquitted

Found Not Guilty on
Charge of Illegal
Possession of Goods

Harry Stanley Berriman was found not guilty of a charge of being in possession of goods which he knew to be stolen as the Assize Court adjourned today until Monday.

Berriman was charged as the result of the purchase of a radio from Joseph Stephen Carlow for \$10. The radio, evidence revealed, had been stolen from the car of Mrs. Marjorie Drury in Victoria earlier this year.

Hugh McMillan, brought over from Okalla with Joseph Carlow to testify, stated he had heard Carlow tell Berriman the radio was not stolen, that it had been brought by a friend from the United States. McMillan and Carlow were sentenced a short time ago upon conviction on several theft charges in and around Victoria.

STOLEN FROM CAR

Yesterday afternoon Mrs. Drury told of the theft of her car from Newport Avenue on June 28, following her arrival on a trip from California. When it was returned the radio was missing. She identified a set produced in court as being similar to that which was stolen.

Cecil Hulke, radio expert, stated the set in its present condition was worth between \$33 and \$40, and was not sold in Canada.

Carlow gave evidence regarding the theft of the car and the acquisition of the radio. He gave further testimony regarding the transaction with Berriman. Similar evidence was given by McMillan, who added Carlow had told Berriman the instrument was not stolen.

NO GUILTY BEHAVIOUR

P. W. Richards, city detective, testified to recovery of the set from Berriman's premises, and stated the demeanour of the accused did not indicate that he knew the set was stolen.

On the stand Berriman said he had purchased the radio from Carlow at a cabin in the Highlands, following a conversation about it on Yates Street. He also bought cigarettes from Carlow, sight unseen.

George G. W. Little supported Berriman's evidence on the conversation with Carlow on Yates Street and Steven W. Barclay and Mrs. H. S. Berriman gave character evidence for the accused.

The jury retired for a short time and brought in the not guilty verdict.

Chin Shuk Appeal Into Second Day

Hearing of the appeal in the case of Rex vs. Chin Shuk continued before the Court of Appeal today, Douglas Donaghy, K.C., appearing for the crown, appellant, and A. de B. McPhillips for the respondent.

The crown is appealing from a decision of Mr. Justice Manson, granting the release of the respondent on a writ of habeas corpus. Chin Shuk was convicted by a magistrate H. S. Wood in 1935 on charges of unlawfully distributing opium, and sentenced to two years in the penitentiary and a fine of \$1,000.

While the Chinese was serving his time, immigration authorities, following an inquiry at the prison, ordered his deportation to China. Application was later made before Chief Justice Morrison for habeas corpus. The Chief Justice, on return of the writ, ordered the release of Chin Shuk because the latter had not been informed by the board of inquiry of his right to appeal.

The crown applied for a writ of certiorari for production of the record of proceedings before the inquiry board, but the application was dismissed. Now the crown is appealing against both orders.

Casa Loma Not To Be Repaired

TORONTO (CP)—Premier Hepburn said last night the Ontario government was prepared to provide suitable accommodation should King George and Queen Elizabeth visit Toronto on their tour of Canada next year, but would not rehabilitate "any architectural monstrosity like Casa Loma or Chorney Park."

The Premier's comment was prompted by a proposal by Sir Henry Pellatt, former owner of Toronto's famed Casa Loma, that the \$2,000,000 castle like residence in north-central Toronto be repaired and placed at the disposal of Their Majesties. Casa Loma, taken over years ago by the city for unpaid taxes, now is a show place for visitors.

It's a job of work we cannot shirk.

TOWN TOPICS

Court Liberty Juvenile Ancient Order of Foresters will meet on Friday evening at 7.30 p.m. in the Forester Hall. During the meeting several new members will be initiated.

Bank clearings in the city for the week ended today were \$1,457,569, according to a statement issued by the Victoria Clearing House. Figures for the same period last year were \$1,562,275.

Concert artists will appear at the Britannia Branch, Canadian Legion's social and smoking concert program to be held Tuesday evening at 8 in the club concert hall. A number of prominent guests have been invited to attend.

An address, "Technological Trends and Their Effect on Society on the North American Continent" will be delivered by Herbert Clark, chief of staff, tonight at Technocracy section headquarters, 222 Pemberton Building, at 8.

Captain T. H. "Terry" Finney, aviation instructor, and Frank Bonner, flying student, who suffered severe back injuries when their plane crashed recently in Esquimalt Harbor, are resting comfortably at the Jubilee Hospital and showing steady improvement, hospitals officials report.

At a meeting of the Debating Organization of the 20th Century Young Liberal Association, R. Osselson, president, George Bullock was appointed mentor of a public speaking course, which will continue throughout the winter. An executive meeting will be held tonight at 8 in the office of the secretary, 564 Yates Street.

Members of the Chamber of Commerce aviation committees, together with reeves of adjoining municipalities, were invited by Alderman Archie Wills, chairman of the city airport committee, to attend a special meeting in the City Hall tomorrow afternoon at 3 to hear R. W. Mayhew, M.P., present information on the federal attitude to an airport in Victoria.

Deputy Fire Chief R. Taylor and Lieutenant Harry Hunt escaped injury this afternoon when the car in which they were driving was in collision with a truck on Yates Street. The firemen, who were visiting schools and lecturing on fire prevention, were turning from Ormond Street on to Yates Street when the mishap occurred. The two vehicles were slightly damaged.

Because of the refusal of the Community Chest to make a grant to the Canadian Corps of Commissioners and of the city to grant a tag day, another appeal will be made to the public asking for support for the corps, and so for assistance for ex-service men in need who are willing to help themselves. Col. H. W. Laws, C.M.G., D.S.O., was welcomed to the council as a new member.

An invitation to five members of the Victoria Chamber of Commerce to take part in the special boat trip being arranged to Zeaballs by the Privateer Mines Limited, to witness the pouring of the first brick next week in the Privateer Mine, was received in a letter today from D. S. Tait, secretary. Duncan MacBride and Norman Foster, president and assistant secretary, respectively, of the chamber, will attend.

The annual meeting of the Victoria Choral and Orchestra Union was held in the Memorial Hall last week. Reports by the president and other acting officers were given. A general discussion on the activities of the union for the coming year was held. The election of officers resulted as follows: President, W. H. Wilson; secretary, Murray Cree; treasurer, J. H. Hinton; committee, W. Ord, Mrs. Horsfield and Miss Lake from the choir, and Mrs. Hedden Gillespie and Miss Wilkinson from the orchestra.

E. G. Sherwood Named Vancouver Candidate

VANCOUVER (CP)—E. G. Sherwood was named Conservative candidate in Vancouver Centre for the next federal election last night over the protests of Mark G. Cosgrove, Vancouver barrister, who threw a delegates' meeting into turmoil by charging "machine-like tactics" were being used to rush the nomination.

Chairman W. C. Thomson ruled Cosgrove out of order and declared Sherwood chosen by acclamation. Cosgrove, in asking for an amendment to the motion that nominations be closed, said insufficient notice had been given of the nominating convention. He said apparently there was no need to put up a candidate for eight months or a year and suggested an adjournment of at least three months "to make a careful selection."

The Chest needs filling—he a good neighbor and lend a hand.

A meeting of the British Columbia Historical Association will be held in the Provincial Library on Friday evening at 8.15. Dr. T. A. Rickard will deliver his presidential address, which will deal with "The use of iron and copper by the Indians of the northwest." Visitors will be welcomed.

Injuries Fatal To Pedestrian

Miss Clara Maud Boddington, 60, Victim Of Accident on Fort St.

Miss Clara Maud Boddington, 60, 1010 Linden Avenue, died at midnight last night in the Jubilee Hospital from injuries suffered when knocked down by a motor car driven by Fred Fancett, 1260 Hewlett Place.

An inquest will be held Saturday morning at 10 at Hayward's B.C. Funeral Parlors.

The accident occurred a few minutes before 10 on Fort Street, between Linden Avenue and School Street.

Miss Boddington is believed to have either just alighted from a street car or was waiting for a street car to pass before crossing the street. Fancett told police a car had just gone by before the accident.

According to police measurements Miss Boddington was standing on the inner rail of the south car tracks when she was hit. She suffered severe skull injuries and was unconscious when removed to hospital in the police ambulance by Constable H. Mercer and Driver P. Atkinson.

Immediately after the accident she was carried to the home of J. C. Waddington, 1178 Fort Street.

The police report said Miss Boddington was struck by the left front wheel of Fancett's car, a roadster with the fenders off the front. He was travelling east on Fort Street.

Miss Boddington had been a resident of Victoria for 14 years. She was born in London, England, and is survived by her sister, Mrs. E. F. Edwards, 2656 Scott Street, and a brother, Fred, in Australia.

The funeral will be held Saturday afternoon, leaving Hayward's at 1.45 and proceeding to St. Barnabas Church, where Rev. N. E. Smith will officiate at 2. Interment in the family plot, Ross Bay Cemetery.

Interior Belt To Be Surveyed

Government Plans Economic Study of Region Along C.N.R. Line

The government this winter will make an economic survey of the large central interior region of British Columbia lying along the Canadian National Railway between Prince Rupert and Yellowhead Pass.

The Bureau of Economics and Statistics has been instructed to carry out the survey which will be used as a basis for determining the government's policy on proposals such as a large immigration scheme, or transportation changes to develop the district.

The opinion of some groups is that the region has not been developed because of the fact that Vancouver was made the C.N.R. terminus on the coast instead of Prince Rupert.

The effect of these changes in transportation on the area will be one of the main points to be studied.

Other subjects under survey will be the type of industries that are thriving and those that are not, and the reasons; population trends, geology, climate and geographical features; wages and the cost of living; transportation and marketing, and a complete history of the economic development of the district.

The report will be completed by next May, it is expected.

Canadian Club Names Officers

DUNCAN—At the annual general meeting of the Cowichan Women's Canadian Club, Mrs. D. R. Girvin, the president, was presented with a gift from her fellow members by Mrs. C. Pitt, the newly-elected president. Captain Elmore Philpott was the guest speaker, talking on the present European situation.

PARIS (AP)—Political circles heard today France was planning to withdraw her ambassador to government Spain in what opponents of Premier Daladier's foreign policy said would be a "backhanded recognition" of the Spanish insurgent regime.

Pallbearers: Wong Hong, Tong Tim, Peter Chow, Lee Wah, Chew Cheu and T. Wong.

HENRY E. BAYLEY DIED YESTERDAY

After a lengthy illness, Henry Ewart Bayley of 2178 Beaver Street, Oak Bay, died last night, aged 54 years. He was born at Cheltenham, England, and had resided in this city for 26 years. For many years he was associated with Thomas Plimley Ltd. He was a valued member of the Victoria Kiwanis Club, also of Vancouver-Quadra Lodge No. 2, A.F. and A.M. He is survived by his widow, and one daughter, Gladys, at the family residence; one sister, Mrs. J. H. McLennan, Vancouver; one brother, Leslie, in England, and two brothers, Wilfred and George, in New Zealand. Funeral services will be held Saturday afternoon, at 2.30, from the S. J. Curry & Son Funeral Home, Rev. H. St. J. Payne officiating. Interment in Royal Oak Burial Park.

PARENT-TEACHER COUNCIL PRAISED

Will Help Teachers, Parents and Children, James Bay Group Told

Benefits which parents, friends and teachers may obtain from the recently-formed Victoria and District Local Council Parent-Teacher Association were outlined by J. T. Ross at the second meeting of the James Bay Parent-Teacher Association Tuesday, October 11.

Final arrangements were made for a demonstration tea to be held on Friday, October 21, at 3 in the auditorium of South Park School. Miss E. N. Drury of David Spencer Limited, will demonstrate the structure of poinsettias and talk on paper flowers and party favors.

Plans were made for the Christmas bazaar to be held on Friday, November 25 in the auditorium of South Park School. This year it promises to be a bigger and better success than ever under the conership of Mrs. E. G. Day. Mr. J. T. Ross, secretary, was asked to write a letter of thanks to the school board for recently extending the playgrounds to the corner of Michigan and Douglas Streets.

The date of future meetings was changed from the second to the first Tuesday of the month. The next meeting will be held on November 1 in the school auditorium at 8.

Stolen Machinery Valued at \$280

Thieves Use Truck to Haul Loot From Clarke's Garage, View Street

Machinery valued at about \$280 was stolen by thieves who entered V. M. Clarke's garage, 931 View Street, last night and used a truck to haul their loot away.

The abandoned truck was found shortly after 7 this morning by Detective Fearon Woodburn parked near the Orphanage on Cook Street.

The robbery was discovered at 4.45 this morning by Sergeant S. H. Wilkinson and Constable J. Mason while making their regular rounds. Entry was gained by a rear window.

The equipment stolen included an air compressor, a small electric motor, electric drill, two car horns, three tires, a fog light, 24 quarts of oil, two spray guns, four carburetors, eight tins of top dressing and a battery.

Two other break-ins were reported to police last night. The home of R. Greaves, 1138 Pembroke Street, was entered by forcing a living-room window, and a diamond ring and a diamond tiepin were stolen.

I. Smith's home at 2549 Graham Street was also entered and ransacked but no loss was reported.

Liberal Ward Told About Convention

A report on the provincial Liberal convention, held at Kelowna, was given by C. E. Copeland, president of Ward 4 Liberal Association, last night at a business meeting of the ward in Liberal Headquarters.

The president described to the members the surprise liberal gift, a fine oil painting, to Premier T. D. Pattullo. He also referred to the 95-minute speech made by Mr. Pattullo, noting that it was one of the most brilliant he had ever heard by the Premier. Mr. Copeland pointed out the ward was honored by having one of its members, Carew Martin, K.C., elected to the office of first vice-president of the Vancouver Island Liberal Association.

E. E. Peirce gave his observations of the convention, and Mrs. G. Brown spoke on the women's point of view of the big party. The latter reported that Mrs. Stuart Henderson, a member of Ward 4, had been chosen first vice-president of the Provincial Liberal Women's Forum.

A resolution was passed at the meeting agreeing to a contribution from the funds toward decorating the headquarters.

Members were notified about a social to be held October 26.

Kingham Heads Scots Regiment

Is Promoted to Colonelcy and Regimental Command

Lieut.-Col. J. R. Kingham has been promoted to the rank of colonel and appointed to command the Canadian Scottish Regiment, according to word received from Ottawa. He succeeds Colonel D. R. Sargent, who is transferred to the regimental reserve of officers.

Colonel Kingham took over command of the first battalion of the regiment, stationed in Victoria, in 1934. He was succeeded recently by Lieut.-Colonel Eric Henderson.

Colonel Kingham is a native son of Victoria. Educated at University School he later attended the University of British Columbia and the Massachusetts Institute of Technology.

He went overseas in 1915 with the 88th Battalion and served in France with the 16th Battalion. Wounded in 1916, he was invalided to Canada.

DIED

WOOLLOCK—Passed away at the home of his sister, Mrs. S. Gullford, 1324 Belmont Road, on October 11, Mrs. Mary Ann Woollock. The late Mrs. Woollock was a native of Cornwall, England, and had resided in Victoria for 18 years. She leaves to mourn her loss, two sons, Mr. J. Woollock, who is a member of the Victoria Police Force, and one daughter, Mrs. F. Baker, who is a member of the Victoria Police Force. The funeral will be held on Saturday, October 15, at 2:30 p.m., from the residence of Mrs. Gullford, 1324 Belmont Road. Burial will be in the Victoria Memorial Park.

BOULHARD—On October 12, 1938, after a short illness at the family residence, short Head, Mrs. Hannah Boulhard, widow of the late Mr. Boulhard, died at her home, 1010 Douglas Street. She is survived by a son and daughter at home, James and Mrs. Boulhard; two brothers, Bernard White, Drummer, Alta, and Daniel White, Chateaufort, Ont.; three nephews in Vancouver, one in Victoria and one in St. John's, Nfld., and also a sister in Ontario. The remains are resting in Hayward's B.C. Funeral Chapel and the funeral will be held on Friday, the 14th, at 2:30 p.m., from the chapel, 645 Douglas Street, to St. Andrew's Cathedral, where a requiem mass will be said at 10 a.m. on Saturday. The family will receive friends at the home, 1010 Douglas Street, on Saturday.

BAYLEY—After a lengthy illness there passed away in this city, Wednesday evening, Henry Bayley, 81 years of age. He was a native of Victoria and was married to Mrs. Bayley, who was 84 years of age. He was born at Cheltenham, Gloucestershire, England, and had resided in this city for the last 26 years. He was a member of the Victoria Kiwanis Club. He was also a member of the Victoria Quinlan Lodge, his widow, and one daughter, Gladys, at the family residence, Beaver Street, one sister, Mrs. J. H. McEwen, Vancouver, one brother, Leslie, in England, and two brothers, Wilfred and George, in New Zealand. Funeral services will be held on Saturday afternoon, at 2:30 o'clock, from the parlors of the B. J. Curry & Son Funeral Home, 812 St. J. Street, where a service of interment will be held in the Royal Oak Burial Park.

House System Starts at High

The Victoria High School house system was inaugurated yesterday when separate meetings of the Grade 11 and 12 students in each house were called.

In the first house, Bill Brown was elected captain and Joan Duncan vice-captain. Douglas Wallis and Miss Mary Hamilton are the staff advisers.

The second house, with Hubert Cumberbirch and Miss Blanche Alward as staff advisers, elected Gordon Jennings, captain, and Louise Eaton, vice-captain.

The third house, with George Brand and Miss Ella Cameron staff advisers, elected Frank Myler, captain, and Wendy Perkins, vice-captain.

The fourth house, with Henry Gilliland and Miss Annie W. Eaton staff advisers, elected Alec Walker, captain, and Don Seats, vice-captain.

Captains and vice-captains will be made members of the Students' Council.

Canadian-U.S. Supplies to Spain

NEW YORK (CP)—The freighter Eliza Reed, Canadian-American relief ship, will sail for Spain October 30 with a cargo of food, clothing and medicine for Spanish loyalists. The relief ship committee estimates 5,000 tons of goods will be loaded in the ship. The cargo has been donated by Canadian and United States sympathizers. More than 70,000 bushels of wheat are already loaded.

Historic Film Of Revolution

TODAY

One of Hollywood's most pretentious film productions, "Marie Antoinette," is showing today at the Capitol Theatre.

This great picture, which took four years to produce, has 152 players, with a large supporting cast.

Heading the cast are Norma Shearer and Tyrone Power, assisted by John Barrymore, Anita Louise, Robert Morley, Gladys George, Henry Stephenson, Cora Witherspoon and Joseph Schildkraut.

"Marie Antoinette" is rich in drama, intrigue and tender romance. In the title role is Norma Shearer, playing effectively the part of the girl whose dreams of a happy marriage to a king were shattered by reality. Power is the young prince who tries to rescue the queen and her children from the revolutionists.

RANGELAND SHOW—Gene Autry and Carol Hughes in "Gold Mine in the Sky" at the Columbia Theatre.

PATCHWORK ROAD PLAN DEFENDED

VANCOUVER (CP)—British Columbia has no money to build new highways, Hon. F. M. MacPherson, Minister of Public Works, declared in an address to the Vancouver Board of Trade yesterday.

Some \$5,700,000 in road revenue comes from the gasoline tax, the minister said, but nothing is left after maintenance costs of the present system and sinking fund payments are deducted.

"From every part of the province we have demands for new roads, for linking up with highways, for paving of unpaved sections—it would take \$50,000,000," Mr. MacPherson declared.

The minister defended what he said was called the "patchwork" plan of hard-surfacing. Of 937 miles on the southern trans-provincial highway from Vancouver to beyond Fernie, 546 miles were now paved, he said.

Mr. MacPherson said he hoped and expected that within three or four years all the pieces of the "patchwork" system would be connected up.

Yesterday Frank Bird, manager of the Vancouver Automobile Club, announced his organization was "prepared now" to ask the British Columbia government for a reduction in the 7c gasoline tax or, in the alternative, diversion of gasoline tax revenue from general revenue to highway improvements.

Reserve Judgment In Appeal of Lim

Hearing of the appeal in the case of Gordon Lim et al against conviction on a charge of distributing drugs contrary to the Opium and Narcotic Act, between January, 1931, and March, 1937, concluded yesterday in the Court of Appeal. Judgment was reserved.

At the close of the hearing Tuesday the court quashed conviction against Lum How and ordered his immediate release on the grounds that he, a minor, was not implicated in the alleged conspiracy.

Douglas Donaghy, K.C., appearing yesterday for the Crown respondent, said the Criminal Code and the Narcotic Drug Act were both applicable in the case. He said it was a charge within a charge and the Crown had presented evidence to prove the crime was committed.

C. L. McAlpine, K.C., counsel for the appellant, maintained that Gordon Lim and Wong Ying knew nothing of the transaction between the other Chinese and a R.C.M.P. agent.

Favorite Opera Pleasingly Done

Members of the Victoria Grand Opera Association entertained a large group of musical friends at their Rockland Avenue club-rooms last night with the presentation of the first act of "Maritana," an opera that has been popular for 93 years.

It was extremely well done and the audience thoroughly enjoyed every moment, applauding wholeheartedly when it was announced the second and third acts would be produced in November and December.

Patsy Swift, one of the city's most promising young singers, took the role of Maritana with outstanding success. Hers is a voice that is truly delightful. David Oldham as Don Jose sang opposite her, and their duets were most pleasing. Others heard in leading roles were George Farmer, Arthur Jackman, Olive Batchelor, William Cobbett, James McVie and Philip Heal.

Mr. and Mrs. Basil Horsfall again directed, the former presiding also at the piano. Costumes, which were highly artistic, were by Marjorie Barker and the scenery, most professionally executed by Hope Large. Horace Culver was in charge of the lighting.

Alaska Fishing Epic Shown

"Spawn of the North," Paramount Picture, At Atlas

The screen's first great saga of the men who plough the northern seas in search of Alaska's "silver horde" of salmon is told in "Spawn of the North," which Paramount will present, starting today to patrons of the Atlas Theatre. With George Raft, Henry Fonda and Dorothy Lamour heading an all-star cast, it tells of the titanic struggle between fishermen and sea pirates for control of the waters off the Alaskan coast and the tragic experience of two lifelong friends ranged against each other in the final battle. It was directed by Henry Hathaway, who brought "Lives of a Bengal Lancer" and "Souls at Sea" to the screen.

Hockey Teams Mix on Screen

"Idol of the Crowds," a Universal production starring John Wayne, is offered at the Plaza Theatre today. Two university ice-speed teams are introduced in the picture.

Wayne was also put on ice, temporarily, during the shooting of the hockey game, when he dislocated his shoulder during a flurry in front of goal. The company had to photograph scenes not requiring Wayne, while he recovered from his strenuous "icing."

Sheila Bromley has the leading feminine role and lovely Jane Johns makes her movie debut in this offering, which also features Billy Burrud, Charles Brokaw, Russell Hopton and Huntley Gordon.

IN GREAT SCREEN PRODUCTION—Tyrone Power and Norma Shearer appearing in "Marie Antoinette" at the Capitol Theatre.

Street Cars or Buses?

According to press reports, buses are to replace street cars in Victoria on the expiry of the street railway franchise, December 5, next.

The bus undoubtedly has made a place for itself in the transportation world, but we suggest you

ASK YOURSELF THESE QUESTIONS With Regard to the Local Situation:

1. Will service be extended to the neighboring municipalities? If so, under what terms and conditions?
2. What will be the rate of fare, or fares?
3. Will free universal transfers to all parts of Greater Victoria be available?
4. Will dollar unlimited weekly passes be available?
5. Will the service be of the same efficiency and frequency as that now being provided by the street cars?
6. Will bus fares be subject to increase if operating costs prove to be higher than was at first anticipated?
7. On what basis will municipalities be compensated for wear and tear of their roads?
8. How much money will have to be sent right out of the community every year for fuel and other supplies?
9. Will bus operators and other employees receive union rates of wages?
10. How many all-bus cities are there in Canada?

*One—New Westminster, B.C.

11. Is the B.C. Electric willing to continue street car operation in Victoria?

*Mr. W. G. Murrin, president of the B.C. Electric Railway Co., has stated he is prepared to continue street car operation for a period up to 5 years.

These questions concern you and your community. If you feel it will be to the best interest of all concerned to continue street car operation for a reasonable period of time SIGN THE PETITION NOW BEING CIRCULATED FOR RETENTION OF STREET RAILWAY SERVICE FOR THE TIME BEING.

**REJOINS CONSERVATIVES**

WINS FIRST LEG OF FISHERMEN'S CLASSIC—In one of the closest races in the 18-year sailing feud between Gloucester, Mass., and Lunenburg, N.S., the American schooner, Gertrude L. Thebaud beat the Nova Scotian Bluenose by two and a half minutes in the first race of the series for the championship of the North Atlantic fishing fleets. Blue nose, Grand Banks champion for 17 years, was an odds-on favorite, but Captain Ben Pine manoeuvred his challenger around the 18-mile triangular course off Boston harbor in America's Cup style and took the race. In this photo the Thebaud is shown leading the Bluenose back to Boston after the race. In today's race, the second, Bluenose won.

EATING UP VALUABLE TIME—Reichschancellor Adolf Hitler's entry into his new Sudetenland domains was one of the most triumphant of his career, but at its height it was held up by a dictator even stronger than the Fuehrer—his need for food. So he and his entourage stopped near the village of Franzenbad on the way to Eger, and sat down to an al fresco lunch cooked in an army field kitchen, and eaten on a roadside amid his soldiers. This radiophoto shows him third from the right. Next to him is Konrad Henlein, new Governor of Sudetenland, and, at right, General Keitel, Chief of Staff. The meal delayed the German forces' progress through Sudetenland nearly two hours.

**VIENNA CARDINAL****MOBBED BY ANGERED CROWD**

A stirring sermon in St. Stephen's Cathedral, Vienna, pictured at top, during which Theodore Cardinal Innitzer, below, roused Catholic youth to demonstrate against Nazis, led to a riotous attack on the Cardinal's palace by resentful Hitlerites. The 62-year-old prelate, pictured here after votin on Anschluss last year was injured by flying glass as he knelt praying at his altar. The rioters battered in the door of his residence and scaled walls with ladders. Books, furniture and sacred paintings were thrown down to a bonfire below. Crucifixes were burned. A canon suffered a head concussion.

W. T. Straith, Victoria member in the B.C. Legislature, who has been chosen by Premier Pattullo to open the debate on the Speech from the Throne.
